Department of Defense Report on Privacy Activities Section 803 of 9/11 Commission Act of 2007 1st Quarter FY10 – October 1 to December 31, 2009

Introduction

The policy of the Department of the Defense is to protect the privacy of individuals by ensuring that when executing its programs and policies, the Department gives due consideration and regard for information privacy. In recognition of global expansion of information technology posing new threats to individual privacy, the Department continues efforts to strengthen its privacy oversight responsibilities. In addition, actions continue to review a wide variety of activities and procedures within DoD to find opportunities to enhance protections of the privacy of individuals.

Department Actions

The Defense Privacy Office is responsible for all privacy functions delineated by authorities, including the Privacy Act of 1974, 5 USC 552a, as implemented by the Office of Management and Budget, OMB Circular A-130, Appendix 1; Federal Information Security Management Act of 2002 (FISMA); DoD regulatory authority DoD Directive 5400.11, Department of Defense Privacy Program and DoD 5400.11-R, DoD Privacy Program.

Section 803 of the Implementing Recommendations of the 9/11 Commission Act of 2007, P.L. 110-53, established additional privacy and civil liberties requirements for the Department of Defense.

Quarterly Report

The Department has developed a standard reporting framework and instructions to address Section 803 reporting requirements tailored to its mission and functions. The 1st quarter report for FY10 consolidates all privacy activities of the DoD and Component Privacy Offices responsible for privacy functions, including data on the related reviews conducted reference to the advisory guidance delivered, and information about written complaints received and processed. The report is as follows:
