Participation of Swedish Defence Companies

The Swedish Defence Materiel Administration and the Swedish Security and Defence Industry Association have established a Code of Conduct on participation in the Swedish Defense Priorities and Allocation system, supporting US Department of Defense Programs pursuant to The Declaration of Principles for Enhanced Cooperation in Matters of Defense Equipment and Industry and the Implementing Arrangement for Meeting National Defense Requirements – Security of Supply.

The Swedish Defense Materiel Administration hereby informs that the industries listed below all have signed the Code, and thereby declared their willingness to support the system:

BAE Systems Hägglunds AB
Eurencor Bofors AB
Nammo Demil AB
Nammo LIAB AB
Nammo Vanäsverken AB
Protauruis AB
Teleanalys AB
ÅAC Microtec AB

If you would like any further information, we will be happy to provide you with that.

Best regards,

Gunnar Hult
