ENCLOSURE

RESPONSIBILITIES

1. USD(I). The USD(I), pursuant to Reference (a), shall:
 - a. Establish DoD civil aviation intelligence policy consistent with DoD 5240.1-R (Reference (c)).
 - b. Be the principal DoD representative for interagency civil aviation intelligence policy.
 - c. Provide policy support and advocacy for DoD implementation of civil aviation intelligence matters.
 - d. Coordinate plans, program, fiscal resources, and activities that support the civil aviation intelligence mission, when necessary, with the Director of National Intelligence.
 - e. Oversee DoD civil aviation intelligence plans, programs, and operations.

2. DIRECTORS, DEFENSE INTELLIGENCE AGENCY (DIA), NATIONAL GEOSPATIAL-INTELLIGENCE AGENCY (NGA), NATIONAL RECONNAISSANCE OFFICE (NRO), AND DIRECTOR, NATIONAL SECURITY AGENCY/CHIEF, CENTRAL SECURITY SERVICE (DIRNSA/CHCSS). The Directors, DIA, NGA, and NRO, and the DIRNSA/CHCSS, under the authority, direction, and control of the USD(I), shall:
 - a. Provide timely intelligence, surveillance, and reconnaissance planning and direction; collection; processing and exploitation; analysis and production; and dissemination in response to Civil Aviation Intelligence Analysis Center (CAIAC) -validated civil aviation intelligence requirements, consistent with established national and DoD intelligence priorities.
 - b. Assist CAIAC in the identification and resolution of foreign civil aviation intelligence collection, production, and analysis capability gaps, consistent with established national and DoD intelligence priorities.
 - c. Establish direct support relationships with the CAIAC for mission accomplishment.

3. DIRECTORS, DIA AND NGA, AND DIRNSA/CHCSS. The Directors, DIA and NGA, and the DIRNSA/CHCSS, under the authority, direction, and control of the USD(I) and in addition to the responsibilities in section 2 of this enclosure, shall provide analytic and technical support to CAIAC.

4. DIRECTOR, DIA. The Director, DIA, in addition to the responsibilities in sections 2 and 3 of this enclosure, under the authority, direction, and control of the USD(I) and in coordination with the Secretary of the Air Force or a designated representative, shall coordinate, validate, and prioritize DoD civil aviation intelligence requirements in accordance with DoD Directive 5105.21 (Reference (d)).

5. SECRETARY OF THE AIR FORCE. The Secretary of the Air Force shall:

a. Maintain the DoD CAIAC.

b. Appoint the Director, DoD CAIAC, who shall:

(1) Be the lead DoD civil aviation intelligence representative to the CCMDs, the Intelligence Community, and non-DoD interagency partners.

(2) Coordinate DoD actions to enhance U.S. Government civil aviation intelligence in the near term as a critical component of air domain awareness capabilities.

(3) Provide supervision of CAIAC personnel, to include coordinating with the parent organizations of personnel detailed to the CAIAC from other agencies.

(4) Establish and maintain relationships with key civil aviation intelligence stakeholders.

(5) In coordination with the Director, DIA, or a designated representative, consolidate, review, and validate DoD civil aviation intelligence requirements in accordance with Reference (d).

c. Sustain current activities and resource strategy to support civil aviation intelligence during Fiscal Year (FY) 2012.

d. Develop and submit Program Objective Memorandum plan annually, including 29th Intelligence Squadron/Global Aviation Analysis Signals Intelligence (SIGINT) Team (GAAST) or its successor organization's requirements, to supplement NIP resources so that the CAIAC achieves full operational capability beginning in FY 2013 and subsequently maintains operational capabilities.

e. Integrate other civil aviation intelligence-focused DoD activities, such as the 29th Intelligence Squadron/GAAST or its successor organization, into the CAIAC through embedded personnel, liaisons, and memorandums of agreement.

f. Coordinate and synchronize DoD support for the civil aviation intelligence mission as set forth in Reference (c), National Security Presidential Directive-47/Homeland Security Presidential Directive-16 (Reference (e)), and the Air Domain Surveillance and Intelligence Integration Plan (Reference (f)) with the other elements of the Intelligence Community.

g. Prepare and coordinate DoD planning and operating agreements related to DoD civil aviation intelligence, such as the concept of operations for the DoD CAIAC, with all affected DoD Components.

6. COMMANDERS OF THE CCMDs. The Commanders of the CCMDs shall:

a. Support collection and analysis of current and potential civil aviation intelligence threats.

b. Identify, validate, and submit civil aviation-related intelligence requirements to the CAIAC.
