The FAA does not specifically recommend any particular institution. Students are advised to contact the institution directly to determine if it meets their needs and are encouraged to ask for references. All FAA-Approved Aircraft Dispatcher Certification Courses require a minimum of 200 hours of instruction. (14 CFR 65.61(a)(2))

All links tested 02/06/2012 If unresponsive, cut/paste or manually enter into browser Report bad links to Scott Stacy (below)

The list is based upon the most current information available. Please send updated information to Inspector Scott Stacy 404-305-6033 or [scott.stacy@faa.gov](mailto:scott.stacy@faa.gov)

Note: The column: FAA Principle Inspector reflects local office policy and complexity; the individual named may not necessarily be a Dispatch Inspector.

Note: The column: Nearest FAA DSI indicates the FAA Dispatcher Inspector physically closest to the Course operator for possible use as a resource and does not necessarily indicate oversight responsibility.

The FAA does not specifically recommend any particular institution. Students are advised to contact the institution directly to determine if it meets their needs and are encouraged to ask for references. All FAA-Approved Aircraft Dispatcher Certification Courses require a minimum of 200 hours of instruction. (14 CFR 65.61(a)(2))

All links tested 02/06/2012 If unresponsive, cut/paste or manually enter into browser Report bad links to Scott Stacy (below)

The list is based upon the most current information available. Please send updated information to Inspector Scott Stacy 404-305-6033 or [scott.stacy@faa.gov](mailto:scott.stacy@faa.gov)

Note: The column: FAA Principle Inspector reflects local office policy and complexity; the individual named may not necessarily be a Dispatch Inspector.

Note: The column: Nearest FAA DSI indicates the FAA Dispatcher Inspector physically closest to the Course operator for possible use as a resource and does not necessarily indicate oversight responsibility.
