E201

Electronic Gaming Machine (EGM) 101

Description	A 5 hour course designed for tribal gaming regulators and operations personnel. It will explore various components of EGMs and other regulatory subject matter such as Accounting/Event Meters, EGM Report Capabilities, PAR Sheet analysis, Random Number Generator, and many other topics. *Note*: This course is typically offered as part of three day E207 Regulating Gaming Technology course.
Instructors	NIGC Gaming Technology Liaison/Region Staff
Training Materials	* PowerPoint slides in hardcopy format * Workshop * Q&A video with industry experts
Notice of Training to Tribes	* Via NIGC website www.nigc.gov, Technical Assistance Training * Letters to the tribes

E202

Class II Gaming Systems

Description	A 3 hour course designed for tribal gaming regulators and operations personnel. The course will examine the core components of a typical Class II gaming system, as well as highlight various types of Class II gaming technologies currently in use across various tribal gaming jurisdictions. *Note*: This course is typically offered as part of three day E207 Regulating Gaming Technology course.
Instructors	NIGC Gaming Technology Liaison/Region Staff
Training Materials	* PowerPoint slides in hardcopy format * Workshops * Q&A video with industry experts
Notice of Training to Tribes	* Via NIGC website www.nigc.gov, Technical Assistance Training * Letters to the tribes

E203

Class II Technical Standards

Description	A 3 hour course offered to tribal gaming regulators and operations personnel. The course will focus on the meaning and implementation of 25 C.F.R. Part 547, Class II technical standards. Particular attention will be paid to reviewing the technology submission and certification process, procedural requirements, and significant technical issues and requirements. *Note*: This course is typically offered as part of three day E207 Regulating Gaming Technology course.
Instructors	NIGC Gaming Technology Liaison/Region Staff
Training Materials	* PowerPoint slides in hardcopy format * Workshop * Q&A video with industry experts
Notice of Training to Tribes	* Via NIGC website www.nigc.gov, Technical Assistance Training * Letters to the tribes

E204

Associated Equipment / Peripherals

Description	A 5 hour course offered to tribal gaming regulators and operations personnel. The course will focus on common devices that are part of the gaming floor but generally not considered gaming devices themselves. Equipment discussed will include computerized casino accounting systems, kiosks, bill acceptors, ticket printers, and others. *Note*: This course is typically offered as part of three day E207 Regulating Gaming Technology course.

Instructors	NIGC Gaming Technology Liaison/Region Staff

Training Materials	* PowerPoint slides in hardcopy format * Workshops * Q&A video with industry experts

Notice of Training to Tribes	* Via NIGC website www.nigc.gov, Technical Assistance Training * Letters to the tribes

E205

Resources for Tribal Gaming Regulatory Authorities

Description	A 4 hour course offered to tribal gaming regulators and operations personnel. It will explore the general testing process of gaming and associated equipment, highlight common issues faced by gaming regulators, and share strategies on effectively regulating gaming technology. *Note*: This course is typically offered as part of three day E207 Regulating Gaming Technology course.
Instructors	NIGC Gaming Technology Liaison/Region Staff
