330	07	0006	6		Defense Acquisition Executive Summary (DAES) records. DAES is an evaluation process used to assess the progress of the DoD's largest and most critical acquisition programs. The DAES process was created in the late 1980's with some modifications in the early 1990's. These records come from the small office & the analyst who created the process. They document the established and tradeoffs made at the action officer and SES level. The records include internal memo's, meeting minutes that went into keeping the evaluation process alive & vibrant Records date 1969-2001 (See attached box list)	S	OSD AI is PARA 1307-01 NCI-330-77-15	2032 / 01 PERM	01/38-14-6.3
