**Viewing the Publications**

Each publication is presented as an Adobe Portable Document Format (PDF) file. To view these PDF files you must first have Adobe Acrobat Reader 5.0 or higher installed on your computer. If you do not have the Adobe software installed, you can go to Adobe's website and download the latest version of the software for your operating system (for free) directly from the Adobe website.

**Downloading Instructions**

Please download to your desktop or network drive prior to printing. If viewing an open file, click on File > Save As... and save to your desktop or hard drive.

**Printing Instructions**

After downloading, to print an open file, click the Print button or choose File > Print. Specify the printer, page range, number of copies, and other options, and click OK. Most of the options are the same as they are for other applications.

**CAUTION:** Extensive efforts have been made to assure the quality of information contained in this report. It is impossible, however, to achieve complete accuracy and consistency of the reported data. In addition, the reported data do not include all relevant information generally necessary to explain apparent differences in performance (e.g., information related to work rules, topography, climate, and unusual events such as strikes and service start-ups). Users of this report, therefore, should be careful not to draw unwarranted conclusions based solely on the data contained herein.
