Dear Tribal Advisory Committee Member:

On behalf of the National Indian Gaming Commission, we would like to thank the Tribal Advisory Committee for expediting your review of Part 547, Minimum technical Standards for Gaming Equipment used with the Play of Class II Games.

The Commission understands the importance of Technical Standards in ensuring the integrity and security of Class II gaming. We greatly appreciate your assistance in providing recommendations to revise this regulation to further ensure high standards are maintained in the industry.

We have already begun reviewing your recommendations and anticipate having additional questions for the Committee soon. We sincerely appreciate your dedication to this process and your willingness to move this process forward expeditiously.

Sincerely,
