2 CFR Part 2200

45 CFR Parts 2541, 2542 and 2545

RIN 3045-AA48

Corporation for National and Community Service Implementation of OMB Guidance on Nonprocurement Debarment and Suspension

AGENCY: Corporation for National and Community Service.

ACTION: Direct final rule.

SUMMARY: The Corporation for National and Community Service is establishing a new part 2200 in 2 CFR as the Corporation's policies and procedures for nonprocurement debarment and suspension. The new part 2200 adopts and supplements the Office of Management and Budget's (OMB's) guidance in 2 CFR part 180. The Corporation for National and Community Service is also removing 45 CFR part 2542, which contains the Corporation's implementation of the governmentwide common rule on nonprocurement debarment and suspension. 2 CFR part 2200 will serve the same purpose as the common rule in a simpler way. These changes constitute an administrative simplification that would make no substantive change in Corporation's policies or procedures for nonprocurement debarment and suspension.

DATES: This final rule is effective on July 23, 2007 without further action, unless adverse comment is received by the Corporation for National and Community Service by June 22, 2007. If adverse comment is received, Corporation for National and Community Service will publish a timely withdrawal of the rule in the **Federal Register**.

SUPPLEMENTARY INFORMATION:

Background

Corporation for National and Community Service's current regulation on nonprocurement suspension and debarment is found in 45 CFR part 2542. This regulation is the Corporation for National and Community Service's promulgation of the governmentwide "common rule" on this subject, which was issued November 26, 2003 (68 FR 66586).

On August 31, 2005, the Office of Management and Budget (OMB) issued interim final guidance for governmentwide nonprocurement suspension and debarment (70 FR 51863). This guidance, located in 2 CFR part 180, is substantively the same as the common rule, but is published in a form that each agency can adopt, thus eliminating the need for each agency to publish its separate version of the same rule. It also facilitates the ability to update governmentwide requirements without each agency having to re-promulgate its own rules.

The Corporation for National and Community Service is therefore establishing new 2 CFR part 2200, which adopts as its regulation the OMB guidance set forth in 2 CFR part 180 as supplemented with the few required agency-specific provisions. Current 45 CFR part 2542 is being removed, and parts 2541 and 2545 are being amended to conform to the removal of part 2542.

No substantive change in Corporation for National and Community Service's nonprocurement suspension and debarment regulation is intended by these actions.

Authority: Sec. 2455, Pub. L. 103–355, 108 Stat. 3327; E.O. 12549, 3 CFR, 1986 Comp., p. 189; E.O. 12689, 3 CFR, 1989 Comp., p. 235; 22 U.S.C. 2503(b).

§ 2200.10 What does this Part do?

This Part adopts the Office of Management and Budget (OMB) guidance in Subparts A through I of 2 CFR part 180, as supplemented by this part, as the Corporation for National and Community Service policies and procedures for nonprocurement debarment and suspension. It thereby gives regulatory effect for the Corporation for National and Community Service to the OMB guidance as supplemented by this part. This Part satisfies the requirements in section 3 of Executive Order 12549, “Debarment and Suspension” (3 CFR 1986 Comp., p. 189), Executive Order 12689, “Debarment and Suspension” (3 CFR 1989 Comp., p. 235) and 31 U.S.C. 6101 note (Section 2455, Pub. L. 103–355, 108 Stat. 3327).

§ 2200.20 Does this Part apply to me?

This Part and, through this Part, pertinent portions of the OMB guidance in Subparts A through I of 2 CFR Part (see table at 2 CFR 180.100(b)) apply to you if you are a—

(a) Participant or principal in a “covered transaction.” (see Subpart B of 2 CFR part 180 and the definition of “nonprocurement transaction” at 2 CFR 180.970.

The Corporation for National and Community Service policies and procedures that you must follow are the policies and procedures specified in each applicable section of the OMB guidance in Subparts A through I of 2 CFR part 180, as that section is supplemented by the section in this Part with the same section number. The contracts that are covered transactions, for example, are specified by section 220 of the OMB guidance (*i.e.*, 2 CFR 180.220) as supplemented by section 220 in this Part (*i.e.*, Sec. 2200.220). For any section of OMB guidance in Subparts A through I of 2 CFR part 180 that has no corresponding section in this part, Corporation for National and Community Service policies and procedures are those in the OMB guidance.

§ 2200.137 Who in the Corporation for National and Community Service may grant an exception to let an excluded person participate in a covered transaction?

The Chief Executive Officer (or another official designated by the Chief Executive Officer) has the authority to grant an exception to let an excluded person participate in a covered transaction, as provided in the OMB guidance at 2 CFR 180.135.

§ 2200.220 What contracts and subcontracts, in addition to those listed in 2 CFR 180.220, are covered transactions?

Although the OMB guidance at 2 CFR 180.220(c) allows a Federal agency to do so (also see optional lower tier coverage in the figure in the Appendix to 2 CFR part 180), Corporation for National and Community Service does not extend coverage of nonprocurement suspension and debarment requirements beyond first-tier procurement contracts under a covered nonprocurement transaction.

§ 2200.332 What methods must I use to pass requirements down to participants at lower tiers with whom I intend to do business?

You as a participant must include a term or condition in lower-tier transactions requiring lower-tier

participants to comply with Subpart C of the OMB guidance in 2 CFR part 180.

§ 2200.437 What method do I use to communicate to a participant the requirements described in the OMB guidance at 2 CFR 180.435?

To communicate to a participant the requirements described in 2 CFR 180.435 of the OMB guidance, you as an agency official must include a term or condition in the transaction that requires the participant’s compliance with subpart C of 2 CFR part 180, and requires the participant to include a similar term or condition in lower-tier covered transactions.

SUPPLEMENTARY INFORMATION: On March 22, 2007, we published in the **Federal Register** (72 FR13423-13428, Docket No. APHIS-2007-0032) an interim rule that amended the citrus canker quarantine regulations to explicitly prohibit, with limited exceptions, the interstate movement of regulated nursery stock from a quarantined area. The interim rule was effective on March 16, 2007. We took this action because the interstate movement of regulated nursery stock from an area quarantined for citrus canker poses a high risk of spreading citrus canker outside the quarantined area. The interim rule included two exceptions to the prohibition. We allowed calamondin and kumquat plants, two types of citrus plants that are highly resistant to citrus canker, to move interstate from a quarantined area under a protocol designed to ensure that they are free of citrus canker prior to movement. We also continued to allow the interstate movement of regulated nursery stock for immediate export, under certain conditions. This action was necessary to clarify our regulations and to address the risk associated with the interstate movement of regulated nursery stock from areas quarantined for citrus canker.

In an order dated April 26, 2007, the United States District Court of the Middle District of Florida, Ocala Division, instructed the U.S. Department of Agriculture to begin a new round of notice-and-comment rulemaking on the issue of the interstate movement of regulated nursery stock from areas quarantined for citrus canker.

We solicited comments on the interim rule for 60 days after its publication. Comments on the interim rule were required to be received on or before May 21, 2007. We are extending the

comment period on Docket No. APHIS-2007-0032 for an additional 21 days, until June 11, 2007. This action will allow interested persons additional time to prepare and submit comments.

We encourage members of the public, including regulated industry, to submit comments regarding the interim rule, including the scientific and regulatory basis of the rule. We will carefully consider all the comments we receive. If our review of the comments indicates that changes to the regulations promulgated in the interim rule are warranted, we will amend the regulations accordingly.

Airworthiness Directives; Airbus Model A300-600 Series Airplanes

AGENCY: Federal Aviation Administration (FAA), Department of Transportation (DOT).

ACTION: Final rule.

SUMMARY: The FAA is adopting a new airworthiness directive (AD) for all Airbus Model A300-600 series airplanes. This AD requires revising the Airworthiness Limitations section of the Instructions for Continued Airworthiness to incorporate new limitations for fuel tank systems. This AD results from fuel system reviews conducted by the manufacturer. We are issuing this AD to prevent the potential of ignition sources inside fuel tanks, which, in combination with flammable fuel vapors caused by latent failures, alterations, repairs, or maintenance actions, could result in fuel tank explosions and consequent loss of the airplane.
