

*Customer Success Is Our Mission*

Raytheon is a technology and innovation leader specializing in defense, homeland security and other government markets throughout the world. With a history of innovation spanning 88 years, Raytheon provides state-of-the-art electronics, mission systems integration and other capabilities in the areas of sensing; effects; command, control, communications and intelligence systems, as well as a broad range of mission support services.

- Command, Control, Communications and Intelligence (C3I)
- Cybersecurity
- Homeland Security
- Missile Defense
- Space Solutions

Raytheon's Supplier Diversity Program strives to provide an inclusive environment to do business with small, minority-owned, women-owned, veteran-owned (including service disabled veterans), and HUBZone businesses.

Raytheon also seeks to provide an inclusive environment for historically black colleges, universities, and minority institutions to participate in the procurement of technical, engineering, and research services.

Supplier Diversity Program Business Leads:
