

# 42 Large Scientific Databases

## **Agriculture & Food**

AGRICOLA  
Center for Food Safety and Applied Nutrition (CFSAN)  
Technology Transfer Automated Retrieval System (TEKTRAN)  
USDA Food and Nutrition Center

## **Applied Science & Technologies**

DefenseLINK Website  
DOT National Transportation Library Integrated Search  
DTIC S & T Database  
National Institute of Standards and Technology Data Gateway  
U.S. Patent & Trademark Office Database

## **Astronomy & Space**

NASA Technical Reports Server (NTRS)  
NASA Website  
SAO/NASA Astrophysics Data System (ADS)

## **Biology & Nature**

NBII National Biological Information Infrastructure

## **Earth & Ocean Sciences**

NOAA Photo Library  
USGS Publications Warehouse

## **Energy & Energy Conservation**

DOE Alternative Fuels and Advanced Vehicles Data Center  
DOE Information Bridge  
EIA Publications  
Energy Citations Database  
National Renewable Energy Lab Website

## **Environment & Environmental Quality**

EPA Pesticides Factsheets  
EPA Science Inventory  
HSDB Hazardous Substances Databank  
National Service for Environmental Publications (NSCEP)

## **General Science**

Code of Federal Regulations  
Federal Register  
National Technical Information Service (NTIS)  
Science.gov Websites

## **Health & Medicine**

Cancer.gov  
Centers Biologics Evaluation and Research (CBER)  
Center for Drug Evaluation (CDER)  
ClinicalTrials.gov  
MedlinePLUS  
PubMed  
PubMed Central  
TOXLINE Toxicology Bibliographic Information

## **Math, Physics & Chemistry\***

DOE Information Bridge  
DOepatents  
DOE R&D Accomplishments Database  
Energy Citations Database  
E-print Network

## **Natural Resources & Conservation**

Treearch

## **Science Education**

ERIC Education Resources Information Center  
NSDL National Science Digital Library  
NSF Publications Database
