# Register Your Organization

Review this overview if you are submitting a grant **on behalf of** a company, state, local or tribal government, academia or research institution, not-for-profit or any other institution.

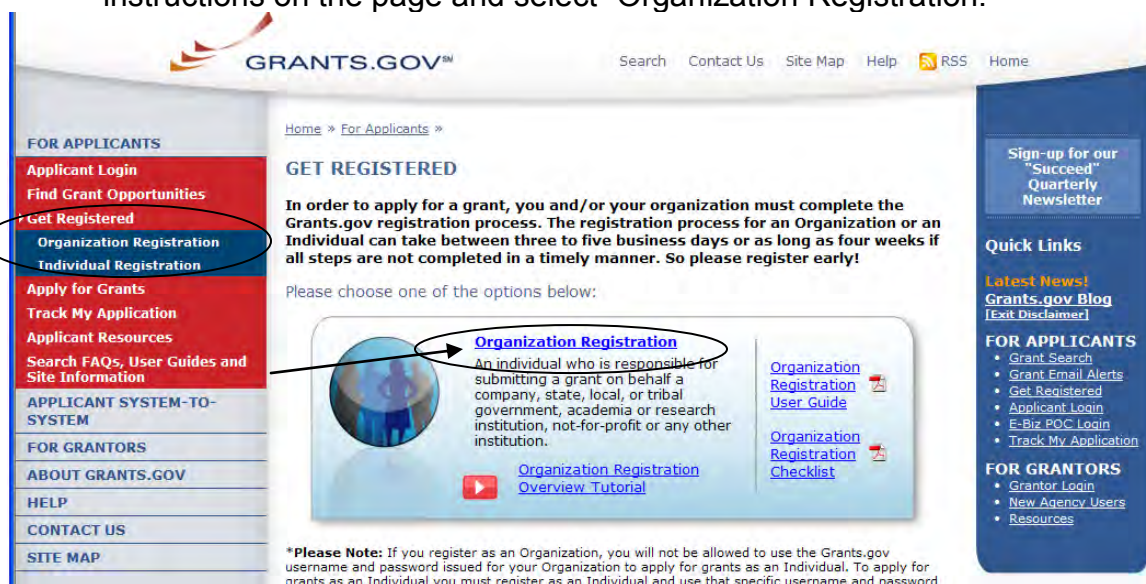

If you are submitting an application as an individual, please go to the [Individual Registration](#) section of the user guide.

## Instructions for Registering your Organization:

1. Start registering your organization by selecting **Get Registered** in the navigation bar on the left navigation menu.

2. On the Get Registered screen, you will be presented with two options. Select **Organization Registration** in the left navigation bar or follow the instructions on the page and select "Organization Registration."

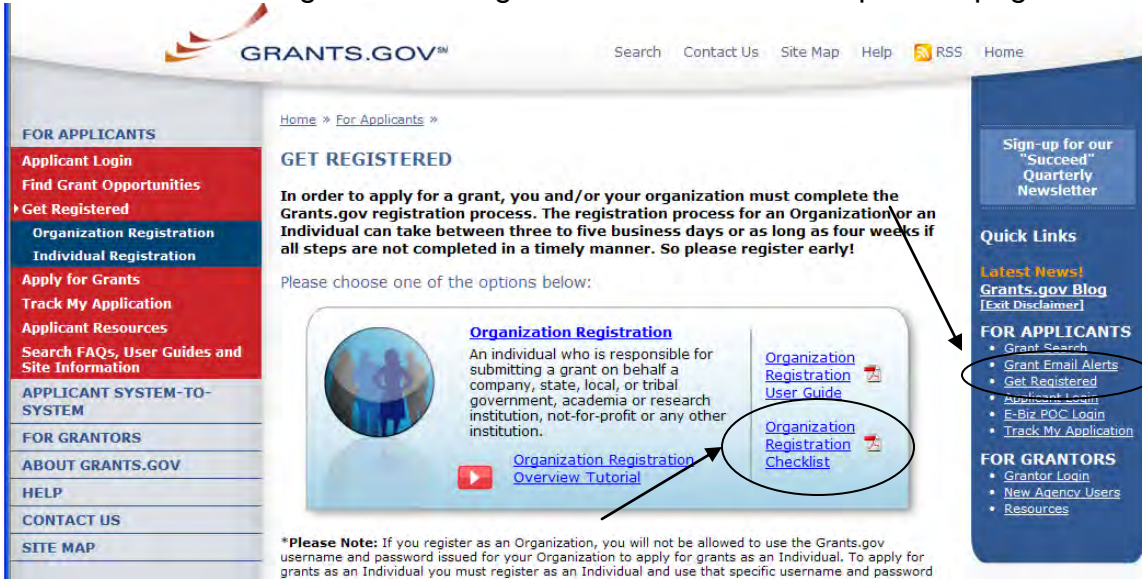

# Registration Checklist for Organizations

In order to help you navigate the process of registering your organization, Grants.gov has developed a registration checklist.

Follow the steps below to review the Registration Checklist for Organizations.

1. To access the Registration Checklist for Organizations, select **Get Registered** from the Quick Links on the right side of the screen in the blue boxed navigation of any Grants.gov page.

### Organization Registration Checklist

The following checklist provides registration guidance for a company, academic or research institution, state, local or tribal government, not-for-profit, or other type of organization. The registration is a **one-time** process, which is **required** before representatives of an organization can submit grant application packages electronically through Grants.gov. The registration process can take **three to five business days** or **one to three weeks** depending on your organization and if all steps are met in a timely manner.

*Note: If you are an individual applying for a grant on your own behalf and not on behalf of a company, academic or research institution, state, local or tribal government, not-for-profit, or other type of organization, refer to Individual Registration: [http://www.grants.gov/eo/organs/individual\\_registration.jsp](http://www.grants.gov/eo/organs/individual_registration.jsp). If you apply as an individual to a grant application package designated for organizations, your application will be rejected.*

## Step 1: Obtaining a DUNS Number

In order to register with the Central Contractor Registration (CCR), a requirement for registering with Grants.gov, your organization will need a Data Universal Number System (DUNS) Number. A DUNS Number is a unique nine-character identification number provided by the commercial company [Dun & Bradstreet \(D&B\)](#). Once you have completed the registration, your DUNS Number should be available the next business day.

### Have the following information prepared when requesting a DUNS Number:

- Name of your organization
- Organization address
- Phone number of the organization
- Name of the CEO/organization owner
- Legal structure of the organization (corporation, partnership, proprietorship)
- Year the organization started
- Primary line of business
- Total number of employees (full and part time)

**Note:** As a result of obtaining a DUNS Number, you have the option to be included on D&B's marketing list that is sold to other companies. If you do not want your name/organization included on this marketing list, request not to be listed when you contact D&B.

### Instructions for Requesting a DUNS Number

On Grants.gov under, For Applicants >> Get Registered >> Organization Registration, select [Step 1: Obtain DUNS Number](#) to register online.

The screenshot shows the Grants.gov website interface. The main navigation menu on the left includes 'FOR APPLICANTS', 'FOR GRANTORS', and 'ABOUT GRANTS.GOV'. Under 'FOR APPLICANTS', the 'Organization Registration' link is circled in red, and an arrow points to it from the left. The main content area displays 'STEP 1: OBTAIN DUNS NUMBER' with a breadcrumb trail: 'Home > For Applicants > Get Registered > Organization Registration >'. Below the breadcrumb, there is a list of steps: 'STEP 1: Obtain DUNS Number', 'STEP 2: Register with CCR', 'STEP 3: Username & Password', 'STEP 4: AOR Authorization', and 'STEP 5: Track AOR Status'. The 'STEP 1' link is highlighted. Below the steps, there is a section titled 'HAS MY ORGANIZATION IDENTIFIED ITS DATA UNIVERSAL NUMBER SYSTEM (DUNS)?' with a registration link: 'http://fedgov.dnb.com/webform/displayHomePage.do [EXIT Disclaimer]'. Requesting a DUNS Number is a process that is not completed on the Grants.gov website. The following steps below provide an overview of the process to request a DUNS Number on D&B's website:

1. Check to see if your Organization has a DUNS Number:

Prior to requesting a DUNS Number, you should investigate if your organization already has a DUNS Number. Most large organizations, independent libraries, colleges and research universities already have DUNS Numbers. Ask your organization's chief financial officer, grant administrator, or authorizing official to provide your organization's DUNS Number. Alternatively, you can determine if your organization has a DUNS Number online by using the [DUNS search](#).

2. Register for a DUNS Number:

If your organization does not have a DUNS Number, ask the chief financial officer, grant administrator, or authorizing official of your organization to register for a DUNS Number. Or request a DUNS Number online via [web registration](#). The process can take up to one business day to complete. If your organization is located outside of the United States, you can also request and register for a DUNS Number online via [web registration](#).

## Step 2: Register with CCR

The Central Contractor Registration (CCR) is a government-wide registry for vendors doing business with the federal government. The CCR centralizes information about grant recipients and also provides a central location for grant recipients to change organizational information. Grants.gov uses the CCR to establish roles and IDs for electronic grant applicants.

### Tips for registering with CCR

1. Information for registering with the CCR and online documents can be found at <http://www.ccr.gov/>.
2. Before registering, applicants and recipients should review the Central Contractor Registration user guide at <https://www.bpn.gov/ccr/doc/UserAccount.pdf> .

### Instructions for Registering with CCR

On Grants.gov under For Applicants >> Get Registered >> Organization Registration, select [Step 2: Register with CCR](#) in the left navigation to register online.

The screenshot shows the Grants.gov website interface. The left navigation menu is on the left, with 'Organization Registration' selected. The main content area is titled 'STEP 2: REGISTER WITH CCR'. It includes a breadcrumb trail: Home » For Applicants » Get Registered » Organization Registration ». Below the title, there are links for STEP 1, STEP 2 (selected), STEP 3, STEP 4, and STEP 5. The main content area contains the following text:

**HAS MY ORGANIZATION REGISTERED WITH THE CENTRAL CONTRACTOR REGISTRATION (CCR)?**  
Ask the grant administrator, chief financial officer, or authorizing official of your organization if your organization has registered with the CCR. If your organization is already registered, **take note of who is listed as your E-Business Point of Contact (E-Biz POC)**. This person will be responsible for authorizing who within your organization has the responsibility to submit applications at Grants.gov.

[E-Biz POC Checklist](#) 

If your organization is **NOT** registered, you can apply by phone (1-888-227-2423) or register online at <http://www.ccr.gov/>. [EXIT Disclaimer]

**IS YOUR ORGANIZATION ALREADY REGISTERED WITH CCR?**  
Check to see if your organization is already registered at the CCR website. You will be able to search CCR by using either your organization's Data Universal Number System (DUNS) Number or legal business name.

[Search CCR](#) [EXIT Disclaimer]

**PURPOSE OF THIS STEP:**  
Registering with the CCR is required for organizations to use Grants.gov.

**HOW LONG SHOULD IT TAKE?**  
**One to three days** to gather the internal organization information and prepare the application.

If your organization already has an Employer Identification Number (EIN) or Taxpayer Identification Number (TIN), then you should allow a minimum of **48 hours** to complete the entire CCR registration.

If your organization does not have an EIN or TIN, then you should allow **two weeks** for obtaining the information from IRS when requesting the EIN or TIN via phone or Internet. The reason for the one to three day delay is due to security information that needs to be mailed to the organization.

**\*Note: Your organization needs to renew their CCR registration once a year.**

**WHAT IS CCR AND WHY DO I NEED TO REGISTER?**  
The **Central Contractor Registration (CCR)** is a web-enabled government wide application that collects, validates, stores, and disseminates business information about the federal government's trading partners in support of the contract award,

Registering with CCR is a process that is not completed on the Grants.gov website. The following steps below provide an overview of the process to register on CCR's website:

If your organization has the necessary information ready, online registration will take about 30 minutes to complete, depending upon the size and complexity of your organization. Once your CCR registration becomes active, you will be able to return to Grants.gov and complete registration. It will take up to three to five business days or up to two weeks before your CCR Registration becomes active. *If you are updating or renewing your registration information it will take approximately 24 hours to become active.*

1. Visit the CCR website at <http://www.ccr.gov/>.
2. Select the **Start New Registration** under the New CCR users.

The screenshot shows the Central Contractor Registration (CCR) website. The main heading is "Central Contractor Registration". Below the heading is a navigation bar with links: CCR Home, CCR Search, Federal Agency Registration, News, Release Notes, Request Data Access, and Help. Underneath the navigation bar are more links: Contractors, Grantees, International Registrants, Small Businesses, Security Notes, and 601,493 Active Registrants. On the left side, there is a "Quick Links" sidebar with various options like Dynamic Small Business Search, ORCA, SBA, Request DUNS Number, and Federal Business Opportunities. The main content area has a "Welcome to Central Contractor Registration (CCR)" message. Below this is a "Log in to CCR" section with input fields for "User ID" and "Password", a "Log In" button, and links for "Forgot Password" and "Forgot User ID". Below the login section is a "Create New Registration" section. In this section, the "Start New Registration" button is circled in red, and an arrow points to it from the left. Below the button are links for "What You Need to Register" and "International Registrants". A note states: "Note: New registrations usually take 3-5 business days to process once completed by the vendor." To the right of the "Create New Registration" section is a "CCR Registrations Over Time" section featuring a line graph titled "CCR Registrations Choosing Contracts, Grants, or Both Over Time". The graph shows data from 6/25/2010 to 9/12/2010 for three categories: Contracts, Grants, and Contracts and Grants. The y-axis ranges from 0 to 350,000. The graph shows that "Contracts" has the highest number of registrations, followed by "Grants", and then "Contracts and Grants". Below the graph is a link: "Click the image to see full size."

3. Next, follow the on-screen instructions to complete registration with CCR.

Please select **I am registered as an Organization AOR**. Then enter the email and DUNS Number you used when you registered with Grants.gov.

Once you have entered the email and DUNS Number you used when you registered with Grants.gov, simply select the **Submit** button. After selecting **Submit** you will see a message stating “An email has been sent with your username.”

If you are an Applicant registered on behalf of an Organization and do not know the email or DUNS Number associated with your Grants.gov registration, you should contact the E-Business Point of Contact (E-Biz POC) for your organization. The E-Biz POC will be able to log in to their account and give you your username. With your username you will be able to follow the instructions for **I Forgot My Password/Unlock My Account** and will have the ability to reset your password.

## Step 4: AOR Authorization

Prior to submitting grant application packages, representatives of your organization need to register to submit on behalf of your organization. Your organization's E-Business Point of Contact (E-Biz POC), identified during CCR registration must authorize someone to become an Authorized Organization Representative (AOR). This safeguards your organization from individuals who may attempt to submit grant application packages without permission. Only one E-Biz POC is assigned per each of an organization's DUNS (Data Universal Number System) Number. If your organization only has one DUNS Number, then there will be only one E-Biz POC for your organization.

**Note:** In some organizations, a person may serve as both an E-Biz POC and an AOR, in this case you will need to perform this step and approve yourself as an AOR. If you are the E-Biz POC and want to submit applications on Grants.gov, you will need to register with Grants.gov as an AOR, using an alternate email than the one used in correlation with the E-Biz POC, and authorize yourself as an AOR.

Once an applicant on behalf of an organization registers with Grants.gov, the E-Biz POC will have to approve the request. After the AOR has submitted their request granting permissions to the applicant to become an Authorized Organization Representative (AOR), the E-Biz POC will complete the fourth step in this process as described on this page:

[http://www.grants.gov/applicants/org\\_step5.jsp](http://www.grants.gov/applicants/org_step5.jsp).

The screenshot shows the Grants.gov website interface. The main content area is titled "STEP 4: AOR AUTHORIZATION" and includes the following text:

**HAS THE E-BUSINESS POINT OF CONTACT (E-BIZ POC) APPROVED YOUR AOR STATUS, WHICH ALLOWS YOU TO SUBMIT APPLICATIONS ON BEHALF OF THE ORGANIZATION?**  
When an AOR registers with Grants.gov, your organization's E-Biz POC will receive an email notification.

Your E-Biz POC must then login to Grants.gov (using the organization's DUNS number for the username and the "MPIN" password obtained in Step 2) and approve the AOR, thereby giving permission to submit applications. When an E-Biz POC approves an AOR, Grants.gov will send the AOR a confirmation email that includes the requesting AOR's name, e-mail address and phone number.

In some cases the E-Biz POC is also the AOR for an organization. If the E-Biz POC wishes to submit applications on behalf of their organization, he or she must also complete a separate AOR profile (Step 3 of the registration process) using a different email than the one used for their E-Biz POC registration. The E-Biz POC will need to approve their AOR status by following the steps described above. Not until the E-Biz POC has approved their new "E-Biz POC + AOR" status, will they be able to submit grant applications on behalf of the organization.

When an E-Biz POC approves an AOR, Grants.gov will send the AOR a confirmation email.

**E-Biz POC Checklist**

**PURPOSE OF THIS STEP:**  
Only the E-Biz POC can approve AORs. This allows your organization to authorize specific staff members to submit grants.

**HOW LONG SHOULD IT TAKE?**  
This can be immediately, but it depends on how long it takes the E-Biz POC to login and approve the AOR.

Grants.gov has developed an E-Business Point of Contact (E-Biz POC) Registration checklist to help authorize your organization's AOR (Authorized Organization Representative).

Follow the steps below to review the E-Biz POC Registration Checklist.

1. Select **Get Registered** in the Quick Links on the blue boxed left navigation of any Grants.gov page. This will take you to the Get Registered screen.
2. Select **Organization Registration** from the left navigation.
3. Once on the Organization Registration page, select **STEP 4: AOR Authorization** from the navigation.
4. Once on the **STEP 4: AOR Authorization** page, select the [E-Business Point of Contact Registration Checklist](#)  link on the screen.

The Registration Checklist is a PDF document, which you may review on-screen or print and retain for future reference.

The screenshot shows a PDF document titled "E-Business Point of Contact Registration Checklist" from Grants.gov. It includes a note about individual registration and a table with two steps: "STEP 1: OBTAIN DUNS NUMBER" and "STEP 2: REGISTER WITH CCR". Each step has a description, purpose, and duration. The "Completed?" column contains empty circles.

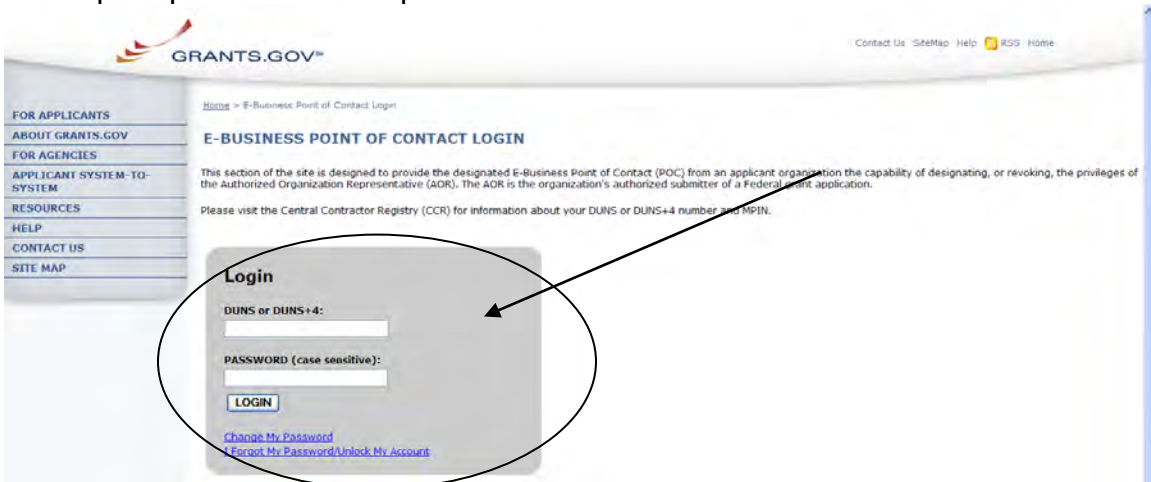

Steps to Complete	Completed?
<p><b>STEP 1: OBTAIN DUNS NUMBER</b> Has my organization identified its DUNS Number?</p> <p>Ask the grant administrator, chief financial officer, or authorizing official of your organization to identify your DUNS number. If your organization does not know its DUNS number, call Dun &amp; Bradstreet at 1-866-705-5711 and follow the automated prompts to find this information.</p> <p><b>PURPOSE OF THIS STEP:</b> The federal government has adopted the use of DUNS numbers to track how federal grant money is allocated. DUNS numbers identify your organization.</p> <p><b>HOW LONG SHOULD IT TAKE?</b> Same Day. You will receive DUNS number information at the conclusion of the phone call. A recipient with a NEW DUNS number must wait 24 hours before applying for CCR registration.</p>	○
<p><b>STEP 2: REGISTER WITH CCR</b> Has my organization registered with the Central Contractor Registry (CCR)?</p> <p>Ask the grant administrator, chief financial officer, or authorizing official of your organization if your organization has registered with the CCR. If your organization is not registered, you can apply by phone (1-888-227-2423) or register online at <a href="http://www.ccr.gov">http://www.ccr.gov</a>. When you register be sure to name yourself as the E-Biz POC.</p> <p><i>Note: Your organization needs to renew their CCR registration once a year.</i></p> <p><b>PURPOSE OF THIS STEP:</b> Registering with the CCR is required for organizations to use Grants.gov and you need to name yourself the E-Biz POC to authorize AORs to be able to apply for grants.</p> <p><b>HOW LONG SHOULD IT TAKE?</b></p>	○

To login and assign the Authorized Applicant role as an E-Biz POC, select the [E-Biz POC Login](#) link in the right navigation menu under Quick Links in the blue box, on most Grants.gov pages.

Select the **Remove Ebiz Role** button to deactivate the user. If you do not want to remove the E-Biz role, select the **Cancel** button.

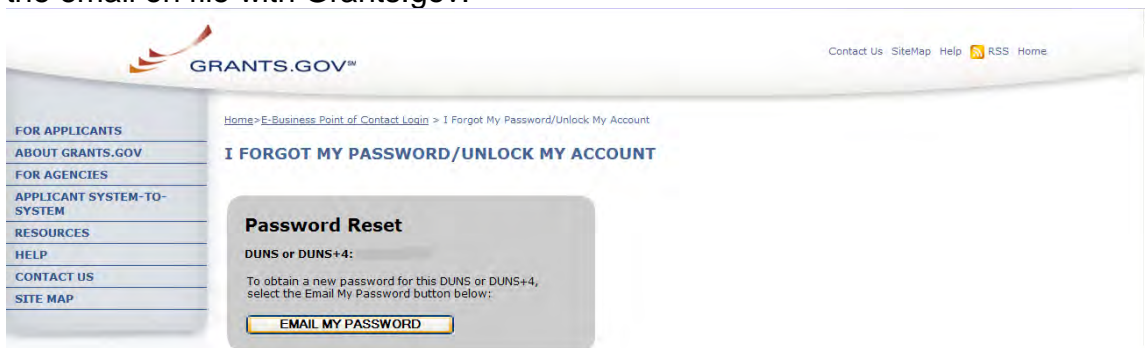

## ***E-Biz POC Change My Password***

To change your password, select the **Change My Password** link on the E-Business Point of Contact Login screen or on the right navigation when you are logged in. In order to update the information shown within the E-Business Point of Contact (E-Biz POC)/applicant profile, the E-Biz POC must visit the CCR website at <http://www.ccr.gov>.

Information on file with CCR must be updated annually at CCR.gov to maintain an active Grants.gov registration. Changes may take up to 48 hours to update on the Grants.gov system. If the E-Biz POC changes, to access the E-Biz POC functionality the E-Biz POC will need to enter a valid MPIN.

**Welcome to the Applicant Center!**

The Applicant Center allows you to manage your applicant profile and to check the status of all your applications at once. If you are the E-Business Point of Contact (E-Biz POC) or know the valid MPIN associated with your DUNS Number, you can access the E-Biz POC Tool links by selecting one of the two links and then entering the valid MPIN.

If you have any questions you can call the Grants.gov Contact Center at 1-800-518-4726 or email at [support@grants.gov](mailto:support@grants.gov).

[Manage My Profile](#) (Organization AORs check registration status here)

On the Manage My Profile page, you can update information in your applicant profile, such as your name, telephone number, email address, and title. If you are a grant applicant representing an organization, you can also verify if you have been granted Authorized Organization Representative (AOR) status, which is a person authorized to submit applications through Grants.gov on behalf of their organization.

The following status information is provided:

- **Approved:** You have received approval to submit on behalf of your organization.
- **AOR Request Sent:** Grants.gov sent an email notification to your E-Business Point of Contact (E-Biz POC) that you have registered to submit grant applications through Grants.gov on behalf of your organization.

*Note: Once your E-Biz POC assigns the "Authorized Applicant" role to you, you will receive an email stating that you have been designated as an AOR and will be able to submit applications through Grants.gov. You may also access the E-Biz POC tool links if you know the valid MPIN.*

[Check My Application Status](#)

Once you have submitted an application, you can check the status of your application submission on the [Track My Application](#) page or in this section. You can identify your application by CFDA Number, Funding Opportunity Number, Competition ID, and/or Grants.gov Tracking Number. The following status information is provided:

- **Date/Time/Files Received** – The date and time Grants.gov received your application and if hyperlinked, the list of forms and files received by Grants.gov for your application submission
- **Status** – (Application Status Messages Include):
  - **Received** – Grants.gov has received the application, but the application is awaiting validation.
  - **Validated** – Grants.gov validated the application and it is available for the agency to download.
  - **Received by Agency** – The agency has confirmed receipt of the application package.
  - **Agency Tracking Number Assigned** – The agency has assigned an internal tracking number to your application. This is the last status that Grants.gov tracks. Updates beyond this must be checked with the agency directly. Note: All agencies do not assign tracking numbers. If you do not see an agency tracking number, this does not infer that the agency did not receive or process your application. The assignment of tracking numbers is based on the policy of a particular agency.
  - **Rejected with Errors** – Grants.gov was unable to process your application because of an error(s) and cannot accept the application until you correct the errors and successfully resubmit the application. You will receive email notification with information on how to address the error(s). Refer to [Application Error Tips](#) for information on how to address common application errors.
- **Status Date** - The date and time, your application status was updated.
- **Agency Tracking Number** - A Tracking Number assigned by the agency, if applicable.
- **Submission Name/Files** - Includes the Application Filmo Name and a listing of the forms and files received.

# Register as an Individual

Review this overview if you are submitting a grant **on your behalf** and **not** on behalf of a company, state, local or tribal government, academia or other type of organization. In order to safeguard the security of your electronic information, Grants.gov requires all users to create an account in the Grants.gov system. In order to access the account the user must verify that they are able to obtain a username and password. This process determines that someone really is who he/she claims to be. Individuals do not need a DUNS Number to register to submit applications. The system will generate a default value in that field.

**Note:** In order to register as an Individual you will need to obtain the Funding Opportunity Number (FON) for a grant application that you intend to apply for. Please be sure it is an opportunity that an Individual registrant is eligible to apply for.

If you are submitting an application on behalf of an organization, please move to the [Organization Registration](#) section of the user guide.

## Step 1: Enter Funding Opportunity Number (FON)

Select **Get Registered** in the Quick Links on the blue boxed left navigation of any Grants.gov page. This will take you to the Get Registered screen.

Once you land on the Get Registered screen, you will be presented with two options. If you are submitting an application on your own behalf – not on behalf of an organization – select [Individual Registration](#) in the left navigation bar or link on the main page.

The screenshot displays the Grants.gov 'GET REGISTERED' page. On the left, a navigation menu under 'FOR APPLICANTS' includes 'Get Registered', which is circled in red. The main content area features two registration options: 'Organization Registration' and 'Individual Registration'. The 'Individual Registration' option is circled in red. A red arrow points from the 'Individual Registration' link in the left navigation bar to the 'Individual Registration' option on the main page. Another red arrow points from the 'Individual Registration' option on the main page to the 'Individual Registration' link in the right sidebar. A third red arrow points from the 'Individual Registration' link in the right sidebar to the 'Individual Registration' option on the main page. A fourth red arrow points from the 'Individual Registration' option on the main page to the 'Individual Registration' link in the left navigation bar.

Select the [Register with Grants.gov](#) button on the main screen.

This will take you to the **Register with Grants.gov** screen where you will need to enter the **Funding Opportunity Number (FON)** of an Individual opportunity and then select **Register**.

## Step 2: Complete Registration Form

Once you enter a valid Funding Opportunity Number (FON) you will need to complete a profile. When entering an email address, please keep in mind that all correspondence with Grants.gov will be sent to that email address. For the Secret Question/Answer fields, enter a question only you would be able to answer and will be able to remember in the future. The password you choose must contain at least eight (8) characters including: at least one (1) uppercase letter (A-Z); at least one (1) lowercase letter (a-z); and at least one (1) number (0-9). When you have completed the form select the **Continue** button.

## Apply for Grants Overview

By downloading a grant application package, you can view it offline, giving you the flexibility to complete the application when and where you want. You can also route it through your organization for easy review. Before you apply, remember you must be [registered](#), and it is helpful to have the Funding Opportunity Number (FON) and/or CFDA Number of the desired grant. If you don't have a FON and or CFDA Number return to [Find Grant Opportunities](#) to search for this information. Once those steps are complete, you will be ready to download the application package and begin the four step process to apply for a grant.

I also provide the required assurances \* and agree to comply with any resulting terms if I accept an award. I am aware that any false, fictitious, or fraudulent statements or claims may subject me to criminal, civil, or administrative penalties. (U.S. Code, Title 18, Section 1001)". When you are finished reviewing the document, close the document, it will still be attached to the form. **NOTE:** If you want to make any edits to an attachment you will need to save the attachment to your computer, make the edits, then save the new document. Once that is saved you will need to attach the new document to the form and delete the outdated attachment from the form. Please see the sections for adding and deleting attachments.

### *Saving Your Application*

To save your application before submitting it to Grants.gov, select the **Save** button on the cover page at the top of the screen.

### *Printing Your Application*

To print your application, select the **Print** button on the cover page at the top of your screen. Make sure your documents are in the Mandatory and/or Optional documents submission box on the right of the application in order for your attachments to print.

The functionality to print all attachments within an application package, such as forms for budget years and Senior Key Person (also known as “form-in-form” attachments) at once is currently not available. Each attachment must be opened manually and printed separately.

To open and print all forms within an application package, such as mandatory and optional forms (excluding attachments) ensure that these forms have been moved to the Forms for Submission Box (on the right side of the application package cover page) and click the **Open Form** button. Once all forms are open and visible, click the **Print** button at the top of the screen. All open forms will then be printed at once.

## Finalizing Your Application

Once you have completed all required documents and attached any required or optional documentation, select **Save** to save your package. If errors are found, select the **Check Package for Errors** button which will identify each error. Then correct each error.

If there are no errors, when you save the package the **Save & Submit** button will be activated.

Select the **Check Package for Errors** button at any time to ensure that you have completed all required data fields.

The **Save & Submit** button will become active after all errors have been resolved and the package has been saved. Select the **Save & Submit** button and save the application again. You are required to save the application at this point to begin the application submission process.

**APPLICANT CENTER**

Welcome to the Applicant Center!

The Applicant Center allows you to manage your applicant profile and to check the status of all your applications at once. If you are the E-Business Point of Contact (E-Biz POC) or know the valid MPIN associated with your DUNS Number, you can access the E-Biz POC Tool links by selecting one of the two links and then entering the valid MPIN.

There is also the [Track My Application](#) page which allows you to track application packages without having to login to the Applicant Center. To search for grant opportunities, visit the [Find Grant Opportunities](#) page. To learn about how to apply for a grant, visit the [Apply for Grants](#) page. If you have any questions you can call the Grants.gov Contact Center at 1-800-518-4726 or email at support@grants.gov.

[Manage My Profile](#) (Organization AORs check registration status here)

On the Manage My Profile page, you can update information in your applicant profile, such as your name, telephone number, email address, and title. The following status information is provided:

- Approved:** You have received approval to submit on behalf of your organization.
- AOR Request Sent:** Grants.gov sent an email notification to your E-Business Point of Contact (E-Biz POC) that you have registered to submit grant applications through Grants.gov on behalf of your organization.

*Note: Once your E-Biz POC assigns the "Authorized Applicant" role to you, you will receive an email stating that you have been designated as an AOR and will be able to submit applications through Grants.gov. You may also access the E-Biz POC tool links if you know the valid MPIN.*

[Check My Application Status](#)

Once you have submitted an application, you can check the status of your application submission on the [Track My Application](#) page or in this section. You can identify your application by CFDA Number, Funding Opportunity Number, Competition ID, and/or Grants.gov Tracking Number. The following status information is provided:

The attachment file names may appear verbose because many are prefixed to include the form name, field name, unique number and attachment name (attachment name which was entered by the applicant) as one entire file name. Not all attachments are prefixed exactly the same, but you will be able to recognize the file name entered by the applicant by reading it through the entire line of text. ## RSS Feeds

RSS stands for Really Simple Syndication. Grants.gov now provides four RSS feeds for new or modified opportunities by agency or by category. This is an alternative way to receive updates on opportunity listings, rather than receiving through email.

In order to receive an RSS feed you must have an RSS reader. Some browsers, such as the current versions of Firefox and Safari have built-in RSS readers. If you are using a browser that doesn't currently support RSS, there are a variety of [RSS readers](#) [EXIT Disclaimer] available on the Internet; most are free to download while others are available for purchase.

## How do I use RSS Feeds?

The way an RSS feed is added to an RSS reader is slightly different from one reader to the next. Follow the directions below to add a new feed (a feed is also referred to as a channel) to your RSS reader:

1. Choose an RSS reader (Get an [RSS Reader](#) [EXIT Disclaimer])
2. Select the link or small RSS button near the feed you want. For example, [New/Modified Opportunities by Agency](#) (You will see a page displaying XML code)

3. From your web browser's address bar, copy the URL (web address). For example, the URL you would copy for "New/Modified Opportunities by Agency" is: [http://www07.grants.gov/rss/GG\\_OppModByCategory.xml](http://www07.grants.gov/rss/GG_OppModByCategory.xml).
4. Paste that URL into the "Add New Channel" section of the reader. The RSS feed will start to display and regularly update the headlines for you.
5. Read more information on using RSS Feeds on Grants.gov: [Using RSS Feeds](#).
