Instructions: Detail Listing must include the total of items maturing during the six month period following the report date, regardless of whether or not the capital contribution is expected to be renewed. The schedule must also include proposed capital withdrawals scheduled within the six month period following the report date including the proposed redemption of stock and anticipated accruals which would cause a reduction of Net Capital. These anticipated accruals would include amounts of bonuses, partners’ drawing accounts, taxes, and interest on capital, voluntary contributions to pension or profit sharing plans, etc., which have not been deducted in the computation of Net Capital, but which you anticipate will be paid within the next six months.
