composite wear components and products containing the same that infringe all of the claims of U.S. Patent No. RE 39,998 (“the ‘998 patent”). The complaint named FAR, AIA Engineering Ltd., and Vega Industries as respondents.

On January 30, 2009, Magotteaux and FAR filed a joint motion to terminate the investigation as to FAR on the basis of a settlement agreement. On February 11, 2009, the Commission investigative attorney filed a response in support of the motion. On February 13, 2009, the ALJ issued Order No. 19, granting the joint motion by ID. No petitions for review were filed. The Commission has determined not to review the subject ID.
