AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has determined not to review an initial determination ("ID") (Order No. 19) issued by the presiding administrative law judge ("ALJ") granting complainant's motion to terminate the investigation in part.

SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on October 8, 2010, based on a complaint filed by Leviton Manufacturing Co. ("Leviton") of Melville, NY. *75 Fed. Reg.* 62420 (Oct. 8, 2010). The complaint alleged violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. § 1337, in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain ground fault circuit interrupters ("GFCI") and products containing the same by reason of infringement of various claims of United States Patent Nos. 7,463,124; 7,737,809; and 7,764,151. The Commission's notice of investigation named numerous respondents.

On December 15, 2010, under the directive of the United States District Court for New Mexico, Leviton filed a motion to terminate the investigation “to the extent Leviton’s claims are based on any GFCI products made, used, offered for sale, sold or imported in the United States by Respondent General Protecht Group.” On January 19, 2011, the ALJ issued the subject ID (Order No. 19) granting Leviton’s motion. The ALJ found that Leviton’s motion was based on withdrawal of certain allegations from the complaint and that it satisfied Commission Rule 210.21(a)(1) (19 C.F.R. § 210.21(a)(1)). The grant of Leviton’s motion terminated the following respondents from the investigation: General Protecht Group, Inc., SecureElectric Corporation, and G-Techt Global Corporation. None of the parties petitioned for review of the ID.

The Commission has determined not to review the subject ID.

The authority for the Commission’s determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337), and in Part 210 of the Commission’s Rules of Practice and Procedure (19 C.F.R. Part 210).

By order of the Commission.
