Corporation for
**NATIONAL &
COMMUNITY
SERVICE** 

Service-learning is a teaching and learning strategy that integrates community service with academic study to enrich learning, teach civic responsibility, and strengthen communities.

Learn and Serve America provides support to schools, higher education institutions, and community-based organizations that engage students, their teachers, and others in service-learning. Learn and Serve America is administered by the Corporation for National and Community Service.

National Service- Learning Clearinghouse

The National Service-Learning Clearinghouse is operated by ETR Associates and is funded by the Corporation for National and Community Service under Cooperative Agreement No. 09TAHCA002. Copyright © 2011 ETR Associates. All rights reserved.

www.servicelearning.gov

An unmatched collection of service-learning resources, expert advice, and a vibrant community of fellow practitioners and scholars—you'll find it all through NSLC.

We're the nation's most comprehensive source of service-learning information, with resources for schools, colleges and universities, community-based organizations, Indian Tribes and U.S. Territories, parents, volunteers, and students.

Whoever you are, whatever your service-learning need, we'll guide you.

Information and Tools

Find it fast with our easy-to-use browse, search, and filter tools.

- Browse our print and full-text resources, including books, journal articles, videos, guides, lesson plans, syllabi, and more.

- Access the best of service-learning practice and research in our fact sheets, bibliographies, and toolkits.

Connections and Expertise

Talk to real people. Get real help!

- Collaborate and share with the field through email discussion lists and social media.
- Learn about news, training events, funding, and other opportunities.
- Get inspired by service-learning projects taking place throughout the country.

“Service-learning is a particularly fertile way of involving young people in community service, because it ties helping others to what they are learning in the classroom. It enables them to apply academic disciplines to practical, everyday problems. In the process, it provides a compelling answer to the adolescent’s perennial question, ‘Why do I need to learn this stuff?’”

COLIN L. POWELL,
FORMER SECRETARY OF STATE
