TTB PROPOSES REVISION OF DISTILLED SPIRITS PLANT REGULATIONS

Washington, D.C. – The Alcohol and Tobacco Tax and Trade Bureau (TTB) issued a notice of proposed rulemaking (NPRM) in the Federal Register to amend its distilled spirits plant regulations. Many of these proposed revisions are the result of comments submitted by the Distilled Spirits Council of the United States in response to a Bureau of Alcohol, Tobacco and Firearms NPRM published in November 1998. Other proposed revisions are a result of a comprehensive TTB review of the distilled spirits plant regulations. TTB believes the proposed amendments will modernize the requirements for operating distilled spirits plants and make the regulations easier to understand.

Written comments must be received on or before August 6, 2008.
