

# Rabies

September 2011

[www.vaccines.mil](http://www.vaccines.mil)

## Across

- 1 The full dose of RIG should be infiltrated in and around this site (5)
- 5 Organization to report vaccine preventable disease; abbr. (3)
- 6 HDCV harvested from these cells (12)
- 9 RIG may be administered up to how many days after 1st dose (5)
- 10 U.S. vaccine regulator; abbr. (3)

## Down

- 1 Coordinating authority on international public health; abbr. (3)
- 2 Most common source of rabies outside the U.S. (4)
- 3 Check for contradictions (6)
- 4 Single continent where rabies is not found (10)
- 7 Vaccine manufactured by Sanofi-Pasteur (6)

- 14 DoD messages about medical materiel quality; abbr. (4)
- 15 Rabies virus genus (10)
- 16 Animal route of virus transmission to humans (4)
- 17 Infection type (5)
- 20 Late stage symptoms of rabies (11)
- 21 Vaccine dosage for all age grps, mL (3)
- 23 Symptom of disease, fear of water (11)
- 26 Preferred muscle for IM rabies injections (7)
- 28 Most common animal source of human rabies in U.S. (4)
- 30 CDC info sheet before vaccination; abbr. (3)
- 31 Number of rabies vaccines licensed in the U.S. (3)
- 32 CDC Immunization advisory committee; abbr. (4)
- 33 Vaccination doses, pre-exposure (5)
- 34 Anaphylaxis antidote; abbr. (3)
- 35 Storage location for rabies vaccine (12)
- 36 Rabies is a viral disease that affects this body system; abbr. (3)
- 8 Body area never used for rabies vaccine injections (7)
- 11 Used to reconstitute vaccine (7)
- 12 Rabies vaccine inventor (7)
- 13 Human-human transfer can occur from infected tissue during this surgery (15)
- 18 Immunoglobulin, synonym (8)
- 19 RIG is dosed by (10)
- 22 Administer vaccine to this age group (3)
- 24 Number of times RIG is administered to the unvaccinated after bite (4)
- 25 Protect vaccine from this by keeping in original packaging (5)
- 27 Vaccine manufactured by Novartis (8)
- 28 Persons in high risk occupations may need this if titers drop (7)
- 29 Number of doses post exposure for those unvaccinated (4)
- 30 Immunization adverse reaction report form; abbr. (5)
