

# Canada Day 1 July 2011

The men and women of NTM-A send congratulatory greetings to our colleagues from Canada on this Canada Day 2011.

For the past 144 years the Canadian people's defense of liberty has been unquestioned -- through the World Wars, Korea, Vietnam, Iraq and now here in Afghanistan, the Maple Leaf has represented personal freedom and human dignity.

We are grateful to have you bring your skill and dedication to our Army and Police training centers. You are playing an important role in the development and professionalization of the Afghan National Security Force.

On this Fête du Canada, we salute you and thank you for your service here in Afghanistan.
