

## Our Mission

NATO Training Mission-Afghanistan / Combined Security Transition Command-Afghanistan (NTM-A / CSTC-A) in coordination with NATO nations and partners, international organizations, donors and non-governmental organizations; supports the Government of the Islamic Republic of Afghanistan (GIROA) as it generates and sustains the Afghan National Security Force (ANSF), develops leaders, and establishes enduring institutional capacity to enable accountable Afghan-led security.

**WILLIAM B. CALDWELL, IV**  
Lieutenant General  
Commander

## Our Vision for 2011

We must do all we did last year... and more!

- Train Afghan Trainers
- Accelerate Leader Development
- Build Literacy and “Vocational Skills”
- Inculcate an ethos of Stewardship
- Develop Enduring Institutions, Systems, and Enablers

2014 End-state  
A self-reliant, professionally led ANSF which generates and sustains enduring police, army, air, medical, infrastructure, and logistics capabilities, with accountable and effective Afghan Ministries that are responsive and answerable to the Afghan people.

*“ISAF and GIROA are entering into a new phase of our joint effort, which allows us to help set the conditions for irreversible transition to full Afghan security responsibility and leadership...by the end of 2014.” (Lisbon Summit Declaration, 2010)*

## NATO Training Mission - Afghanistan

*Shohna ba Shohna  
Shoulder to Shoulder*
