# Mission

The mission of the Administration on Aging (AoA) is to help elderly individuals maintain their dignity and independence in their homes and communities through comprehensive, coordinated, and cost effective systems of long-term care, and livable communities across the U.S.

# AoA is the Federal Leader of the Aging Network

# National Eldercare Locator

## 1-800-677-1116

The Eldercare Locator is a national toll-free service that assists adults and their caregivers find services and/or resources in their own communities or throughout the country. The caller is referred to the local Area Agency on Aging Information and Assistance program closest to the person in need of assistance.

# AoA Grant Announcement

## For State Units on Aging

- The Administration on Aging (AoA) will award up to \$14 million in competitive grants to State Units on Aging through this 2-part Program Announcement (June 9, 2011).
- Part A - *“Accelerating Integrated, Evidence-Based, and Sustainable Service Systems for Older Adults, Individuals with Disabilities and Family Caregivers”* and
- Part B - *“Creating Dementia Capable, Sustainable Service Systems For Persons With Dementia And Their Family Caregivers”*
- The goal of this Program Announcement is to ensure that older adults, individuals with disabilities and family caregivers have clear and ready access to a sustainable, integrated system that offers a comprehensive set of high quality, evidence-based services that can help them remain independent and healthy in the community

# AoA Grant Announcement

## For State Units on Aging (cont'd.)

- To achieve its goal, AoA will award fully funded 3-year cooperative agreements to successful applicants that agree to implement, and sustain a statewide, integrated service system on two levels:
- Between the state and local communities to implement, and sustain a statewide system
- Across health and human service systems to streamline and facilitate enrollment in a comprehensive array of high quality services and supports

# AoA Grant Announcement

## For State Units on Aging (cont'd.)

- An integrated, sustainable service system entails meeting two key objectives across these two levels:
- Objective 1. Coordinate the integration of a statewide set of programs that includes a Single Entry Point/No Wrong Door (SEP/NWD) access for individuals.
- Objective 2. Ensure access to a comprehensive, sustainable set of high quality services relevant to the population residing in the state's service area.
