Wallace shot stuck P

X P called PV - sugg postpone Blue Room  
she wants to go ahead  
tell the press it's closed  
but PV + Clem go ahead + receive

Conn in

✕ ✕

✕

X picked gun in Mil - Arthur Bremner  
at R. Leo Corp Beverly

Kelley

22

Arthur Bremner - W Mich. St. Mil.

was an Nov '71 Mil. campaign  
interview in now - 55 - FBI - pol  
in bo.

had to be treated for head wound -  
now intour

CBS had pic.

2

(Coles) EOB - devious.

(E) Gray flying down  
told Felt held Sun resp for safety  
timely reports -

Kendall told P  
no one's told me how much time I have  
emphasized need to destroy the press - the enemy

(Klat)

loop + jail -  
other two fellows  
filed chgs - US Atty office for assault  
Peterson - Civil Div contact police  
Guarantee seclusion  
Agent to loop + jail to seclude  
custody of ind police - can't take them  
report in 20-30 min  
rec. agst. interviewing  
trying to isolate all three

I had Roy - re get job at Bus Council.

3

3 shot .38

no one has talked to him

" will - til Dis give permission

agent is out of surgery - w/b

Bill Beckard

still in surgery

one thru both walls stomach - kidney

no other organs - liver OK

close to spinal - not in vital area

can't feel pain spine down

could be shock reaction

5-6 units

looks reasonably good

leak - 1<sup>st</sup> reports of interest

indic a Mc Ber K person did this

got this out fast

before pin on it

4

called Conn -  
Hkd to Nellie re how get this beer etc

Wallace condition } reports up to midweek  
FBI interogation }
