Subject: WEEKLY NRT BRIEFINGS; SCHEDULING

Barbara,

I have the draft of the script for the NRT AVIRIS briefing about as far as I can take it, If you could have someone edit and advise me I would really appreciate it. It is a 3 to 5 minute briefing to deputy agency heads and commanders. It needs to be delivered to RDML Neffenger Friday in advance of the briefing on Monday. Never having sat through one of these I am not too certain what they are looking for.

Thanks,

Vic
