Subject: Contacted by CNN re fate of oil (oil budget) report

Hi Kendra,

I received a voice message from Andrew Philliar at CNN. They requested I appear on their show "Connect the world" at 4:00 p.m. Eastern today, to discuss the "fate of oil report." This is the oil budget document that NOAA produced, and (incorrectly) listed me as a co-author.

Per our communications guidelines, I will not return Andrew's call. If you wish to, his contact information is: ;
