**July 23, 2004**

---

The Administrative Law Judge issued his decision and order in the above-captioned cases on June 8, 2004, finding that the Respondent had not engaged in the unfair labor practices and recommending that the complaints be dismissed.

No exceptions to the decision and order were filed with the Authority within the applicable time limit. See 5 C.F.R. § 2423.40. Therefore, the Authority adopts the Administrative Law Judge's decision. The findings, conclusions and recommendations of the Administrative Law Judge constitute, without precedential significance, the findings, conclusions, and decision and order of the Authority. See 5 C.F.R. § 2423.41(a). All objections and exceptions are waived for all purposes.

Accordingly, the complaints are dismissed.
