

East Jemez Road (Map 1) VEHICLE ACCESS PORTALS

Traffic Lanes 1 and 6: Closed except for emergencies and operational needs.
Traffic Lanes 2-5: No stop required. Drivers must slow down to 15 MPH while nearing and driving through these lanes.
Traffic Lane 7: Staffed to process commercial delivery trucks and other large vehicles such as RVs. Commercial delivery vehicle drivers must present their inspection passes from Post 10.
More Information: spp-questions@lanl.gov

Effective June 18, 2012

Vehicles entering LANL at the East Jemez VAPs during non-work hours (between 7 pm and 5 am during the weekdays and all day on weekends) will be funneled into the center lane (Lane #4). All other VAP lanes will be closed during non-work hours. Drivers must stop at the center lane guard post and proceed only upon verbal or hand-signal direction from the Protective Force officer.
