LTC Patrick M. Garman PharmD, PhD  
Deputy Director, Scientific Affairs  
Military Vaccine Agency, Office of the Army Surgeon General  
5113 Leesburg Pike Suite 402  
Falls Church, VA 22041

**Re.: ACAM2000™ Vial Stopper Raw Material Content**

Dear LTC Garman,

For your reference, the rubber stoppers used as part of the container closure system on the ACAM2000™ Smallpox (Vaccinia) Vaccine, Live are latex free. The bromobutyl serum stopper contains no latex material.

Please feel free to disseminate this information as appropriate.

Best regards,

Matthew Curtis  
Regulatory Affairs Manager  
Acambis Inc.
