

WARNING!

Say No to CO!

- Protect yourself and your family from carbon monoxide poisoning (CO) when using portable generators and pressure washers. (See other side for tips on protection.)
- You cannot see or smell CO, but it can kill you or make you sick.
- CO poisoning can occur in minutes.
- Install a battery operated CO alarm near the bedrooms.

*Recommendations from the Centers for
Disease Control and Prevention*

Say NO to CO!

(CO, carbon monoxide, is a poisonous gas)

BE SAFE:

- ✓ Never use the generator indoors or in a garage, carport, or basement.
- ✓ Put the generator outside and away from doors, windows, and vents.
- ✓ Read product directions for other safety tips.
- ✓ Chain the generator to a tree or other fixed object to prevent theft.
- ✓ Look for symptoms of CO poisoning:

Headache

Confusion

Fatigue

Seizures

Dizziness

Loss of consciousness

Nausea/vomiting

Get out of the house and seek medical help immediately if you or a family member have these symptoms!
