

**U.S. Department of Energy
Hanford Site**

JUL 16 2004

04-ORP-045

Mr. Todd Martin, Chair
Hanford Advisory Board
1933 Jadwin Avenue, Suite 135
Richland, Washington 99352

Dear Mr. Martin:

HANFORD ADVISORY BOARD (HAB) ADVICE #162 – REQUEST FOR TECHNICAL ASSISTANCE

Reference: HAB letter from T. Martin, HAB to K. Klein, RL Manager, and R. Schepens, ORP Manager, "Request for Technical Assistance," dated June 4, 2004.

The U.S. Department of Energy (DOE) supports your request for technical assistance, as specified in the HAB charter, in developing a greater understanding of the environmental analysis contained in the Hanford Site Waste Program Environmental Impact Statement (EIS), Tank Closure EIS, and Hanford Site Composite Analysis.

In order to determine the appropriate funding level and procurement approach, it will be necessary to carefully define the scope of your requested review. To accomplish this we would like to work directly with the subcommittee selected to develop the detailed Statement of Work.

Steve Wiegman, DOE Office of River Protection (ORP), will contact you directly to discuss participation in the development of the detailed scope on behalf of DOE. If you have any questions, please contact Erik Olds, ORP (509) 372-8656.

Roy J. Schepens, Manager
Office of River Protection

Keith A. Klein, Manager
Richland Operations Office

ORP:TEO

Todd Martin
