As a direct result of the changes, above, the following changes are made to the associated references to DOE Orders within Section C.

Section C.3.3.1.5, Personnel Security, under the subheading "Foreign Travel," is changed as follows:

FROM:

The Contractor shall administer Official Foreign Travel in accordance with CRD O 551.1B (Supplemented Rev. 0), *Official Foreign Travel,* including submittal of projections of potential foreign travel, and all official foreign travel requests packages to DOE for review and subsequent submittal to DOE-HQ for approval in accordance with established timeframes, prior to any official foreign travel.

TO:

The Contractor shall administer Official Foreign Travel in accordance with CRD O 551.1C, *Official Foreign Travel*, including submittal of projections of potential foreign travel, and all official foreign travel requests packages to DOE for review and subsequent submittal to DOE-HQ for approval in accordance with established timeframes, prior to any official foreign travel.

By signature on this modification, the Contractor agrees to the following Contractor's Statement of Release:

The Contractor hereby releases the Government from any and all liability under this contract for further equitable adjustments attributable to the inclusion of the new Attachment J.2 requirements set forth on pages 2 through 5 of this modification. Such release does not release the Government from any or all liability under this contract for potential equitable adjustments for other changes incorporated in this modification to conform Section C in accordance with modifications M016, M017, M026, and M027.
