Additional Information regarding the Local Arrangements for the Repatriation of Mexican Nationals.

The local arrangements were implemented to establish agreements between DHS officials, specifically ICE, CBP, and the Mexican Consular Officials. The Area of Responsibility (AOR) footprint of each of the local arrangements is determined by the jurisdiction of the Mexican Consulates in the United States. There are forty nine Mexican Consulates in the United States. The DHS components within the individual consulate AOR are signatory to that local agreement.

The local agreements were designed to ensure the safe, orderly and humane repatriation of Mexican Nationals from the United States to Mexico. In order to accomplish this goal the Local Arrangements:

- Identify points of contact among ICE, CBP and Mexican authorities.
- Specify normal hours during which Mexican nationals would be repatriated.
- Establish routine and special handling advance notification requirements.
- Ensure a process to handle complaints of officer misconduct or abuse.

Below are some of the terms listed in the Local Arrangements:

- Provide Mexican Nationals with Consular Access
- Make available to Mexican Participants copies of applicable regulations and DHS detention standards for all persons detained more than 72 hours.
- Provide consular notification vial telephone, fax or email.
- Provide a list of Mexican Nationals to be repatriated, including name, sex, date of birth and place of birth.
- Ensure the unity of families; coordinate with the Consulate of Mexico to safeguard the well being of juveniles.
- Provide repatriation for special needs persons (unaccompanied minors, pregnant women, or persons with children, elderly, mentally or medically incapacitated) during daylight hours before 7:30 p.m. yearly.
- Participants should meet no less than twice a year to review arrangements and discuss repatriation issues.
- Local procedures should be reviewed and updated in consultation with the Repatriation Technical Working Group (RTWG) annually. The RTWG is a U.S. –Mexico bi-lateral working group charged with the administration and negotiation of the Local Arrangements for the Repatriation of Mexican Nationals.

LOCAL ARRANGEMENT FOR REPATRIATION OF MEXICAN NATIONALS

The Consulate General of Mexico in **CITY, STATE**, and the **CITY** Immigration and Customs Enforcement, Field Offices (Office of Investigations and Office of Detention and Removal) and the **CITY**, Field Office for Customs and Border Protection, of the Department of Homeland Security (DHS) of the United States of America (the United States), all together hereinafter referred to as "the Participants":

RECOGNIZING the obligations of Mexico and the United States of America set forth in the Vienna Convention on Consular Relations of April 24, 1963, of which both are Contracting Parties, and in the Consular Convention between the United Mexican States and the United States of America of August 12, 1942;

BEARING IN MIND the provisions of the Memorandum of Understanding on Consular Protection of Mexican and United States Nationals, of May 7, 1996; and the Memorandum of Understanding on Consultation Mechanisms of the Immigration and Naturalization Service Functions and Consular Protection, of June 11, 1998;

RECOGNIZING the need to regulate the flow of persons, particularly on the common border, as was reflected in the Memorandum of Understanding between the Department of Homeland Security of the United States of America and the Secretariat of Governance and the Secretariat of Foreign Affairs of the United Mexican States, on the Safe, Orderly, Dignified and Humane Repatriation of Mexican Nationals, signed on February 20, 2004 (hereinafter the MOU);

CONSIDERING that the Governments of the United States of America and the United States of Mexico have approached the topic of migration at the highest level, and that the Joint Declaration "Towards a Partnership for Prosperity: The Guanajuato

Proposal” addresses this issue as a matter of cooperation and shared responsibility.

CONSIDERING that in 1997 the Working Group on Migration and Consular Affairs of the Mexico-U.S. Binational Commission was established as a means of developing improved procedures for repatriating Mexican nationals in a safe, dignified and orderly way with respect to their human rights, and that this Working Group has strengthened the mutual collaboration in the subsequent sessions on those matters;

DESIRING to establish a local arrangement on the safe and orderly repatriation of Mexican nationals, as mentioned in the Plan of Action for Cooperation on Border Safety, of June 21, 2001; the U.S.-Mexico Border Partnership Action Plan, of March 22, 2002, and the U.S.-Mexico Action Plan for Cooperation on Border Safety, of February 20, 2004.

Have established the following Local Arrangement:

CRITERIA AND PROCEDURES

SECTION 1

The purpose of this Arrangement is to establish local procedures for the orderly and safe repatriation of Mexican nationals from the United States to Mexico, consistent with the criteria and principles referred to in Article 3 of the February 20, 2004 Memorandum of Understanding on the Safe, Orderly, Dignified and Humane Repatriation of Mexican Nationals (the MOU).

SECTION 2

Consistent with the MOU, repatriations from the interior, ports of entry and at the border of the United States and Mexico should be conducted in a manner that will

be consistent with the respect of the human rights and dignity of Mexican nationals found in the United States in violation of U.S. immigration law.

SECTION 3

Under this Arrangement:

Under this Arrangement:

The Consulate General of Mexico in **CITY, STATE**, should take appropriate actions with respect to Mexican nationals found in, detained in or repatriated from the counties of **LIST OR ATTACHMENT OF COUNTIES BASED UPON CONSULAR JURISDICTION.**

The following DHS authorities should take appropriate actions with respect to Mexicans found in, detained in or repatriated from the counties listed above:

- a) Customs and Border Protection (CBP): **CITY** Office of Field Operations;
- b) Immigration and Customs Enforcement (ICE): **CITY** Detention and Removal Operations (DRO); **CITY** Office of Investigations

When the repatriation of a Mexican national involves areas covered by this Arrangement and one or more additional local arrangements (e.g., the individual is detained by DHS in a county covered by this arrangement and is to be repatriated at a point of repatriation covered by another local arrangement) this Arrangement will apply to the actions that take place within the area covered by this Arrangement, and the other local arrangement(s) will apply to the actions that take place within the area(s) covered by the other local arrangement(s).

CONSULAR NOTIFICATION AND ACCESS

SECTION 4

The DHS Participants should advise every detained Mexican national (who is not also a U.S. national) that he/she may communicate with a consular official. When a detained Mexican national requests consular access, the DHS Participants should notify the Mexican Consulate, facilitate access and provide Mexican consular officials, to the extent practicable, the opportunity to conduct interviews in private. The DHS Participants should make available to the Mexican Participants copies of applicable regulations and the DHS Detention Standards applicable to all persons detained for a period longer than 72 hours. Consular notification should be made by phone at **INSERT PHONE NUMBER** and by fax **at INSERT FAX (OR LIST APPROPRIATE CONTACTS IN ATTACHMENT)**.

SECTION 5

The Participants have listed in Attachment 1 the names and titles of, and contact information for, their officials who are responsible for the delivery to, or reception of Mexican nationals, in Mexico, or for the coordination of repatriation activities.

SECTION 6

The DHS Participants should provide to the appropriate points of contact designated by the Mexican participants in Attachment 1 the names and appropriate information of Mexican nationals being directly repatriated at the ports of entry or from the borders of the United States for whom notifications have not previously been made but who are suspected of committing, or known to have committed criminal violations, in the United States or Mexico, as well as those identified as being of special interest to the Government of Mexico. Such notification should be provided in a timely manner prior to any repatriation.

Local procedures should be developed as necessary to ensure that repatriation is accomplished in a coordinated manner through a mechanism developed by the

appropriate officials of both countries when an individual who is suspected of committing, or known to have committed, criminal violations has been identified as being of special interest to the Government of Mexico in response to a previous notification.

SECTION 7

The Participants should set forth the conditions for routine notification of repatriations of Mexican nationals from the interior, ports of entry, and at the border of the United States and Mexico. Notification of routine repatriations should be done in a manner consistent with logistical and operational needs.

The DHS Participants should whenever possible, consistent with logistical and operational needs, deliver to the appropriate Mexican Participants at established points of repatriation and at the time of repatriation, a list of Mexican nationals to be repatriated, which includes at least name, sex, date and place of birth.

The Mexican Participants should provide appropriate officials at the established points of repatriation to receive the requested information.

SECTION 8

The Participants have established the points of repatriation, and their hours of scheduled operation and staffing, in Attachment 2. The Participants should update the Attachment whenever the points of repatriation or their hours of scheduled operation and staffing change. The Mexican Participants should make every effort to ensure that agreed-upon points of repatriation are fully staffed with appropriate local, state and/or federal entities responsible for the health, welfare and safety of Mexican nationals.

SECTION 9

The Participants have listed in Attachment 3 the points of contact to receive and/or convey information about incidents involving reported misconduct, mistreatment or violations of human rights.

In regard to the solution of differences in the application or interpretation of this Arrangement, the procedures established in articles 8 and 1 b) of the MOU remain applicable.

INTERIOR AND BORDER COORDINATION

SECTION 10

The unity of families should be preserved during repatriation, within administrative parameters. For purposes of this Arrangement, the Participants define "family" as including spouses (including common law spouses), children, siblings (brothers and sisters), parents, grandparents, aunts and uncles. When doubts about kinship between juveniles and adults exist, DHS participants should coordinate with the Consulate of Mexico in order to safe-guard the well-being of the juveniles.

SECTION 11

The Participants should repatriate persons with special needs during daylight hours to ensure their safety. For purposes of this Arrangement, "persons with special needs" may include, but are not limited to, unaccompanied minors, the elderly, pregnant women, and individuals who are mentally or medically incapacitated. The Mexican participants should make every effort to have the appropriate representatives receive such persons upon repatriation from the United States. Repatriation of such persons should generally be arranged in a timely manner.

SECTION 12

If additional preparation is required to receive an unaccompanied minor or an individual with medical, mental or other special needs, the DHS Participants should provide the information specified in Attachment 4 to the Mexican Participants.

ARRANGEMENT'S EVALUATION

SECTION 13

Based on the framework of Article 5 of the MOU, when specific circumstances so require and if deemed feasible, the Repatriation Technical Working Group will explore bilateral mechanisms for repatriation of Mexican nationals to their places of origin, conforming to the agreed principles.

The Participants may also propose special programs for consideration by the Repatriation Technical Working Group.

The Participants should develop local procedures to implement approved special programs.

SECTION 14

The Participants should meet no less than two times per year to review the arrangement and discuss repatriation issues. The Participants should refer to the Repatriation Technical Working Group: (a) unresolved issues; (b) best practices; (c) new or emerging repatriation issues, and (d) proposed changes in, or proposed termination of, the local repatriation arrangement.

The local repatriation procedures should be reviewed and updated in consultation with the Repatriation Technical Working Group at least on an annual basis.
