JAN:

In response to the phone calls from Woodward,  
please call him with the following message:

Please tell him that I would very much enjoy talking  
with him directly tonight, but I don't ~~like~~ think  
it would be helpful. I have expressed myself with  
some feeling inside, and it would serve no one's  
interests now to carry those views to the outside.  
That would only add more heat than light.

I would say that the views expressed in  
his Saturday article are certainly not universally shared.

Please add that I trust he understands why  
I don't think it would be helpful to talk personally.

Please keep this note in the files.

Thanks.
