

# GovEnergy 2012: The Gateway to Smart Energy Solutions

**America's Center Convention Complex • St. Louis, MO • August 19-22, 2012**

**Trade Show: August 19-21**

**Training Workshop: August 20-22**

## **2012 Trade Show Opportunities**

*Celebrating 15 years of helping federal employees work smarter to meet their sustainability, energy security, and energy assurance goals.*

- Expand networks; meet face-to-face with current and prospective customers, key decision makers, and industry experts.
- Build brand awareness, gather information, and present products and/or services.
- Reach a federal audience and boost ROI.

### **Call for Vendor Products and Services**

The GovEnergy trade show is a great opportunity to present the latest equipment and services designed to reduce federal energy consumption and support compliance. Vendors are encouraged to showcase products and services in the following areas:

Building Operations and Maintenance  
Energy Efficiency  
Energy Security  
Greenhouse Gas Management  
Metering and Energy Management Control Systems  
Project Financing  
Renewable Energy  
Sustainability  
Technology (HVAC, lighting, fuel cells, etc.)  
Water Efficiency
