**SERVICE SCHEDULE B-1**  
**ALABAMA HOUSING FINANCE AUTHORITY**

<p><b>1. Program Overview</b></p>	<p>AHFA will administer HHF to subsidize 100 percent of an eligible unemployed homeowner's current mortgage payments and all other mortgage-related expenses (including subordinate liens, if applicable) during their time of unemployment. The assistance will not exceed a total of 12 consecutive monthly payments or \$15,000 per household.</p> <p>Alabama's HHF will provide a payment (not to exceed the lesser of six monthly payments plus fees and costs or \$7,500) to a participating homeowner's servicers to bring the homeowner current on his or her delinquent mortgage(s). If the maximum amount that AHFA will provide exceeds the total amount needed to bring the homeowner current on all existing mortgages, the homeowner must cover any shortfall. The AHFA payment can cover principal, interest, fees, escrow/impound expenses, delinquent taxes and/or escrow shortage for taxes and insurance.</p> <p>Interested homeowners will apply directly to AHFA via a <u>secure</u> website monitored and maintained by AHFA staff. Applications will be evaluated and approved by AHFA staff members. Approved homeowners will be expected to submit certain information documenting their inability to pay their mortgage and supporting their mortgage claims.</p> <p>Once in the program, homeowners will be expected to re-certify their continued unemployment and residence in the home on a monthly basis. HHF payments will be distributed to servicers by AHFA on a monthly basis, contingent upon homeowner recertification and continued eligibility for unemployment compensation from the Alabama Department of Industrial Relations.</p> <p>Assistance will continue for up to 12 consecutive monthly payments (including two months following re-employment), not to exceed \$15,000, or until the property ceases to be the homeowner's primary residence.</p>
-----------------------------------	---

<b>2. Program Goals</b>	Provide mortgage payment assistance to unemployed Alabama homeowners with a chance of sustaining homeownership.
<b>3. Target Population / Areas</b>	This program will assist low- to moderate-income families in Alabama. AHFA does not anticipate targeting this assistance on a geographic basis.
<b>4. Program Allocation (Excluding Administrative Expenses)</b>	\$135,497,105.00
<b>5. Borrower Eligibility Criteria</b>	<p>Alabama homeowners who have been declared eligible by the Alabama Department of Industrial Relations to receive state unemployment compensation benefits may apply for assistance. Also, applicants must have a total annual household income of less than 140 percent of the state median income. Based on the current state median annual income of \$54,100, the program's maximum annual income limit, as of August 2010, will be \$75,740. AHFA may change this income limit annually when new income data becomes available from the U.S. Department of Housing and Urban Development.</p> <p>Homeowners will be required to provide a financial Hardship Affidavit attesting to their inability to pay their mortgage. HHF will be available to qualified homeowners on a first-come, first-served basis.</p>
<b>6. Property / Loan Eligibility Criteria</b>	The homeowner must currently occupy the property as their primary residence, and the residence must be located within the state of Alabama. Eligible structures include single-family homes, attached or detached, and manufactured housing attached to real property. Existing mortgage loans on the property must have an unpaid principal balance totaling no more than \$258,691. Alabama HHF will be available only for mortgages executed and recorded on or before September 1, 2010.
<b>7. Program Exclusions</b>	Mortgage loans on second homes or investment properties will not be eligible for HHF assistance.
<b>8. Structure of Assistance</b>	Homeowners receiving funds will execute a note and a subordinate mortgage lien in favor of AHFA that will be recorded in public records against the property. Loans will be zero percent and non-amortizing.

	<p>Loans originated between the pilot program commencement and December 31, 2012, will be forgiven over a five-year term at 20 percent per year. Loans originated between January 1, 2013, and December 31, 2013, will be forgiven over a four-year term at 24 percent per year. Loans originated between January 1, 2014, and December 31, 2014, will be forgiven over a three-year term at 33.3 percent per year. No loans will be originated after December 31, 2014. On or before December 31, 2017, or such later date allowed by Treasury, any remaining or recaptured funds will be returned to Treasury.</p> <p>Loans will be repayable only if the homeowner sells the property before the forgiveness period expires and there is sufficient equity to pay all or part of the unforgiven balance of the loan. Repaid HHF funds will be re-invested back into new homeowner loans until December 31, 2014.</p> <p>Ongoing monitoring, repayments and satisfactions will be conducted through AHFA.</p>
<b>9. Per Household Assistance</b>	Assistance per household not to exceed 100 percent of the household's monthly mortgage payments for 12 consecutive months (including all payments needed to bring loans current), with total assistance per household never to exceed \$15,000.
<b>10. Duration of Assistance</b>	HHF payments will be distributed to servicers by AHFA on a monthly basis. Assistance will continue for no more than 12 consecutive monthly payments (including two months following re-employment), not to exceed \$15,000, or until the property ceases to be the homeowner's primary residence. Assistance will last only as long as the maximum available amount (which will be \$15,000 less all total due payments required to bring homeowner current on eligible mortgage loans which are paid by AHFA) covers 100 percent of the household's monthly mortgage payments. Assistance will cease two months after homeowner returns to work, regardless of whether the maximum available benefits have been received.
<b>11. Estimated Number of Participating Households</b>	Based upon maximum assistance of \$15,000 per household, it is projected that an estimated 9,033 households may be assisted. If the average assistance per household is \$10,000, approximately 13,500 households may be assisted.
<b>12. Program Inception / Duration</b>	HHF will be available to homeowners after approval by Treasury and will last as long as funds are available. After successful completion of a pilot program to begin on December

	1, 2010, AHFA anticipates that funds will be available statewide on or about February 1, 2011. AHFA expects the initial funding allocation to be expended within three years, though funds will be recycled until December 31, 2014.
<b>13. Program Interactions with Other HFA Programs</b>	As AHFA has access to the largest concentration of low- to moderate-income homeowners in Alabama with an in-house servicing portfolio of 21,000 loans, we anticipate that a number of existing AHFA customers will use HHF.
<b>14. Program Interactions with HAMP</b>	This assistance can interact with any and all loan modification programs, including HAMP, provided that the homeowner meets the qualifications established by AHFA and Treasury for HHF. HHF funds can be utilized before or after assistance from HAMP UP.
<b>15. Program Leverage with Other Financial Resources</b>	None.
<b>16. Qualify as an Unemployment Program</b>	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No
