WHEREAS, the U.S. Department of Housing and Urban Development, as the nation's housing agency, has partnered with Treasury in the administration's response to the mortgage and foreclosure crisis;

WHEREAS, as a component of this partnership Treasury has created a federal housing program entitled the Housing Finance Agency Innovation Fund for the Hardest Hit Housing Markets (the “HHF Program”) as an additional program pursuant to EESA;

WHEREAS, Treasury has requested proposals from state housing finance agencies in designated states for the use of funds allocated to the HHF Program to develop and implement innovative housing initiatives tailored to their local conditions to help prevent foreclosures and stabilize housing markets, including individual programs targeting unemployed borrowers, “underwater” borrowers and second lien relief;

WHEREAS, HFA or Eligible Entity has submitted a proposal to Treasury outlining certain programs to utilize HHF Program funds, which programs are described in the Service Schedules attached hereto as Schedule B;

WHEREAS, as required under EESA, HFA has designated Eligible Entity as the financial institution to receive HHF Program funds and act to implement the Services (as defined below);

WHEREAS, HFA and Eligible Entity wish to participate in the HHF Program on the terms and subject to the conditions set forth herein;

Accordingly, in consideration of the representations, warranties, and mutual agreements set forth herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Treasury, HFA and Eligible Entity agree as follows.

Agreement

1. Services

A. Eligible Entity shall (i) contemporaneously with the execution and delivery of this Agreement, deliver a fully executed Financial Instrument (the “Financial Instrument”) to Treasury evidencing its obligations under this Agreement, in the form attached hereto as Exhibit A; (ii) perform the duties and obligations set forth in this Agreement and the Financial Instrument; and (iii) provide and perform (or engage qualified vendors to provide and perform) the Services described in the Service Schedules (as defined below).

B. Contemporaneously with the execution and delivery of this Agreement, HFA and Eligible Entity shall deliver to Treasury multiple schedules (each a “Service Schedule” and together, the “Service Schedules”) describing the services (the “Services”) to be performed by Eligible Entity under the HHF Program. The Service Schedules will be numbered sequentially as Service Schedule B-1, Service Schedule B-2, et. seq., and are referenced herein, collectively, as Schedule B.

C. Contemporaneously with the execution and delivery of this Agreement, HFA and Eligible Entity shall also deliver to Treasury a budget detailing the administrative expenses necessary to carry out the Services (the “Permitted Expenses”). The budget detailing the Permitted Expenses is attached hereto as Schedule C. Neither HFA nor Eligible Entity shall expend HHF Program funds for administrative expenses in excess of the total amount of the Permitted Expenses (reasonable variances between line items being permitted) without the prior consent of Treasury, which may be withheld in Treasury’s sole discretion. Additionally, all administrative expenses paid with HHF Program funds shall be accounted for and are subject to OMB Circular A-87 (revised 5/4/95, as further amended 8/29/97), which can be found at <http://www.whitehouse.gov/omb/rewrite/circulars/a087/a087-all.html>.

2. Representations, Warranties and Covenants

A. HFA and Eligible Entity. HFA and Eligible Entity, each for themselves, make the following representations, warranties and covenants to Treasury and the truth and accuracy of such representations and warranties and compliance with and performance of such covenants are continuing obligations of HFA and Eligible Entity, each as to itself. In the event that any of the representations or warranties made herein cease to be true and correct or HFA or Eligible Entity breaches any of its covenants made herein, HFA or Eligible Entity, as the case may be, agrees to notify Treasury immediately and the same shall constitute an Event of Default hereunder.

(1) HFA and Eligible Entity each represent and warrant that it is in compliance with, and covenants that all Services will be performed in compliance with, EESA and all Federal, state and local laws, regulations, regulatory guidance, statutes, ordinances, codes

and requirements, applicable to the provision of the Services by HFA and Eligible Entity, or its officers, employees, agents or contractors, including, but not limited to, the Truth in Lending Act, 15 U.S.C. §1601 et seq., the Home Ownership and Equity Protection Act, 15 U.S.C. § 1639, the Federal Trade Commission Act, 15 U.S.C. § 41 et seq., the Equal Credit Opportunity Act, 15 U.S.C. § 701 et seq., the Fair Credit Reporting Act, 15 U.S.C. § 1681 et seq., the Fair Debt Collection Practices Act, 15 U.S.C. § 1692 et seq., the Real Estate Settlement Procedures Act, 12 U.S.C. §2601 et seq., the Fair Housing Act, 42 U.S.C. §3601, the Gramm Leach Bliley Act, 15 U.S.C. §6801-6809, and §§ 114 and 315 of the Fair and Accurate Credit Transactions Act of 2003 (the “FACT Act”), 15 U.S.C. §§ 1681m(e) and 1681c(h), and all other Federal and state laws and regulations applicable thereto, including, without limitation, those designed to prevent unfair, discriminatory or predatory lending practices, tenant rights and licensing (collectively, the “Applicable Laws”).

(2) The performance of the Services will not conflict with, or be prohibited in any way by, the Applicable Laws or any agreement or restriction by which HFA or Eligible Entity is bound. Neither HFA nor Eligible Entity is aware of any other legal, financial or other impediments to performing the Services or its obligations under this Agreement, and shall promptly notify Treasury of any such impediments which may impair its ability to perform the Services or its obligations under this Agreement, as applicable. Neither HFA nor Eligible Entity is delinquent on any Federal tax obligation or any other debt owed to the United States or collected by the United States for the benefit of others, excluding any debts or obligations that are being contested by it in good faith.

(3) Neither HFA nor Eligible Entity has received written notice of any action, suit, restraining order, injunction, investigation, proceeding or inquiry at law or in equity, pending or threatened, by or before any judicial, quasi-judicial, legislative or administrative court, agency or authority, or any arbitrator, nor to the best of HFA's and Eligible Entity's knowledge is there any basis for any of the foregoing, wherein an unfavorable determination, ruling or finding would materially adversely affect the validity or enforceability of this Agreement, the Financial Instrument or the ability of HFA or Eligible Entity to perform its respective obligations hereunder and thereunder.

(4) HFA and Eligible Entity each covenants that: (i) it will perform its obligations in accordance with this Agreement and Applicable Laws, and will promptly provide such performance or other reporting as may be required by Treasury, the Government Accountability Office (“GAO”), Congressional Oversight Panel or the Special Inspector General of the Troubled Asset Relief Program (“SIGTARP”); (ii) it will maintain complete, accurate and appropriate records of, and supporting documentation for, all Services provided in connection with the HHF Program; (iii) all Services will be offered and performed in accordance with the Service Schedules, fully documented and serviced, or otherwise performed, in accordance with this Agreement and EESA; and (iv) all data, collection information and other information reported by HFA or Eligible Entity to Treasury under this Agreement, including, but not limited to, information that is relied upon by Treasury in calculating the Purchase Price (as defined below) or in performing any compliance review will be true, complete and accurate in all material respects, and consistent with all relevant business records, as and when provided.

(5) HFA and Eligible Entity each covenants that it will: (i) perform the Services and obligations required under this Agreement in accordance with the practices, high professional standards of care, and degree of attention used in a well-managed operation, and no less than that which HFA or Eligible Entity exercises or would exercise for itself under similar circumstances; and (ii) use qualified individuals with suitable training, education, experience and skills to perform the Services. HFA and Eligible Entity each acknowledges that HHF Program participation may require changes to, or the augmentation of, its systems, staffing and procedures, and covenants and agrees to take all reasonable actions necessary to ensure it has the capacity to implement the Services in accordance with this Agreement.

(6) HFA and Eligible Entity each covenants that it will comply with all regulations on conflicts of interest that are applicable to HFA or Eligible Entity, as the case may be, in connection with the conduct of its business and performance of the Services and all conflicts of interest and non-disclosure obligations and restrictions and related mitigation procedures set forth in this Agreement.

(7) HFA and Eligible Entity each acknowledges that the provision of false or misleading information to Treasury in connection with the HHF Program or the Services may constitute a violation of: (a) Federal criminal law involving fraud, conflict of interest, bribery, or gratuity violations found in Title 18 of the United States Code; or (b) the civil False Claims Act (31 U.S.C. §§ 3729-3733). HFA and Eligible Entity each covenants to immediately disclose to Treasury any discovered credible evidence, in connection with this Agreement and the Services, that a management official, employee, or contractor of Eligible Entity has committed, or may have committed, a violation of the referenced statutes or other wrongdoing.

(8) HFA and Eligible Entity each covenants to disclose to Treasury any other material facts or information in its possession that Treasury should expect to know about HFA or Eligible Entity or its employees, management officials or contractors to help protect the reputational interests of Treasury in connection with the HHF Program.

(9) HFA and Eligible Entity shall each be responsible for the supervision and management of any contractor it engages to assist in the performance of the Services or any obligation under this Agreement. HFA or Eligible Entity, as applicable, shall remove and replace any contractor that it deems as failing to perform. HFA and Eligible Entity shall each ensure that all of its contractors comply with the terms and provisions of this Agreement. Each of HFA and Eligible Entity shall be responsible for the acts or omissions of its respective contractors as if the acts or omissions were by the HFA or Eligible Entity, respectively.

(10) HFA and Eligible Entity each covenants that it will timely inform Treasury of any anticipated or actual Event of Default and of any suspected or actual Act of Bad Faith (defined below).

(11) HFA and Eligible Entity each acknowledges that Treasury may be required to respond, pursuant to the Privacy Act of 1974 (the "Privacy Act"), 5 U.S.C. § 552a, to

inquiries from borrowers and, pursuant to the Freedom of Information Act (the “Freedom of Information Act”), 5 U.S.C. § 552, to inquiries from other parties, as well as formal inquiries from Congressional committees and members, the Government Accounting Office, Inspectors General and other government entities, as well as media and consumer advocacy group inquiries about the HHF Program and its effectiveness. HFA and Eligible Entity each covenants that it will respond promptly and accurately to all search requests made by Treasury, comply with any related procedures which Treasury may establish, and provide related training to employees and contractors.

(12) HFA and Eligible Entity each acknowledges that Treasury, SIGTARP, GAO and other parties designated by Treasury or under Applicable Laws shall have the right during normal business hours to conduct unannounced, informal onsite visits and to conduct formal onsite and offsite physical, personnel and information technology testing, security reviews, and audits of HFA and/or Eligible Entity and to examine all books, records and data related to the Services provided and Purchase Price received in connection with the Services.

(13) HFA and Eligible Entity each covenants that it will promptly take corrective and remedial actions associated with reporting and reviews as directed by Treasury or its designee and provide to Treasury evidence of the effective implementation of corrective and remedial actions as Treasury shall require. HFA and Eligible Entity each acknowledges that Treasury may conduct additional reviews based on its findings and the corrective actions taken by HFA and/or Eligible Entity.

(14) In addition to any obligation to retain financial and accounting records under Applicable Laws, HFA and Eligible Entity each covenants to retain all data, books, reports, documents, audit logs and records, including electronic records, or copies thereof, related to its obligations under this Agreement and the performance of the Services, as applicable. In addition, HFA and Eligible Entity each agrees to maintain a copy of all computer systems and application software necessary to review and analyze these electronic records or copies of such records. Unless otherwise directed by Treasury, HFA and Eligible Entity shall each retain these records for at least three (3) years from the End of Term, or for such longer period as may be required pursuant to Applicable Laws. Treasury may also notify HFA and/or Eligible Entity from time to time of any additional record retention requirements resulting from litigation and regulatory investigations in which Treasury or any agents of the United States may have an interest, and HFA and Eligible Entity each agrees to comply with these litigation and regulatory investigations requirements. “End of Term” shall mean the date that the Services performed under all Service Schedules are fully complete, excluding administrative functions (e.g. the last homeowner is assisted and any loan provided to such homeowner is either repaid or fully forgiven).

(15) HFA and Eligible Entity shall each provide a bring-down certificate as to its continuing compliance with, and the truth and accuracy of, the representations and warranties set forth in this Agreement and the Financial Instrument, as applicable, annually, on each anniversary of the Effective Date during the Term (as defined below), in the form attached hereto as Exhibit B-1 with respect to the HFA (the “HFA

Certification”) and Exhibit B-2 with respect to the Eligible Entity (the “Eligible Entity Certification”).

B. Eligible Entity. Additionally, Eligible Entity hereby makes the following representations, warranties and covenants to Treasury and the truth and accuracy of such representations and warranties and compliance with and performance of such covenants are continuing obligations of Eligible Entity. In the event that any of the representations or warranties made herein ceases to be true and correct or Eligible Entity breaches any of its covenants made herein, Eligible Entity agrees to notify Treasury immediately and the same shall constitute an Event of Default hereunder.

(1) Eligible Entity constitutes a “financial institution” as such term is defined in section 3(5) of EESA, has the legal power to receive funds from Treasury under the HHF Program, and has been designated by HFA to, and hereby agrees to, provide the Services and implement HFA’s proposal to Treasury under the HHF Program.

(2) Eligible Entity is established under the laws of the United States or any state, territory, or possession of the United States or the District of Columbia, has significant operations in the United States and is not an agency or instrumentality of, or owned directly or indirectly by, any foreign government.

(3) Eligible Entity is duly formed and validly existing and has the full corporate power and authority to enter into, execute, and deliver this Agreement, the Financial Instrument and any other closing documentation delivered to Treasury in connection with this Agreement or the Financial Instrument, and to perform its obligations hereunder and thereunder. Eligible Entity has, and its officers, employees, agents and contractors providing the Services have, or will have prior to performing the Services, obtained all licenses and any other approvals or consents required by law to carry on its business as now being conducted and as contemplated by this Agreement.

C. HFA. Additionally, HFA hereby makes the following representations, warranties and covenants to Treasury and the truth and accuracy of such representations and warranties and compliance with and performance of such covenants are continuing obligations of HFA. In the event that any of the representations or warranties made herein cease to be true and correct or HFA breaches any of its covenants made herein, HFA agrees to notify Treasury immediately and the same shall constitute an Event of Default hereunder.

(1) HFA is an instrumentality of the State as indicated in Schedule A.

(2) HFA has full legal power and authority to enter into, execute, and deliver this Agreement and any other closing documentation delivered to Treasury in connection with this Agreement, and to perform its obligations hereunder and thereunder.

D. Representations and Warranties. The foregoing representations and warranties set forth in this Section 2 are hereby qualified and/or limited by the provisions set forth in Schedule D attached hereto and incorporated herein.

3. Agreement to Purchase Financial Instrument; Payment of Purchase Price; Grant of Security Interest

A. Treasury shall purchase, and Eligible Entity shall sell to Treasury, the Financial Instrument that is executed and delivered by Eligible Entity in the form attached hereto as Exhibit A, in consideration for the payment by Treasury of such amount as shall be set forth in Schedule A as the Purchase Price (the "Purchase Price"). Payment of the Purchase Price by Treasury shall be made in draws (each, a "Capital Draw" and collectively, the "Capital Draws"). In order to make a Capital Draw, Eligible Entity shall submit to Treasury and its designee a request for payment (a "Capital Draw Request") no less than ten (10) business days prior to the date such Capital Draw is requested to be paid. Notwithstanding anything in the Service Schedules to the contrary, Treasury shall not approve a Capital Draw Request for a Capital Draw in an amount less than 2.5%, or more than 20%, of the Program Participation Cap (defined below). In addition, no Capital Draw Requests shall be approved by Treasury so long as Eligible Entity has HHF Program funds on hand of more than 5% of the Program Participation Cap. The form of Capital Draw Request is attached hereto as Exhibit C.

B. The conditions precedent Treasury's execution and delivery of this Agreement and the payment by Treasury of the first Capital Draw are: (i) HFA's execution and delivery of this Agreement with attached complete and approved Service Schedules, Exhibits and any other closing documents, certificates or legal opinions as shall be required by Treasury to be delivered by HFA; (ii) Eligible Entity's execution and delivery of this Agreement with attached complete and approved Service Schedules, Exhibits, the Financial Instrument and any other closing documents, certificates or legal opinions as shall be required by Treasury to be delivered by Eligible Entity; (iii) the delivery of a legal opinion of counsel to HFA, which may be internal legal counsel, in substantially the form attached hereto as Exhibit D-1; and (iv) the delivery of a legal opinion of counsel to Eligible Entity, which may be internal legal counsel, in substantially the form attached hereto as Exhibit D-2.

C. The conditions precedent to payment by Treasury of any subsequent Capital Draws are: (i) delivery to Treasury and its designee of an executed and completed Capital Draw Request using the form attached hereto as Exhibit C, without modification other than completing requested information fields, and any certifications or information as may be required by Treasury or its designee; (ii) the performance by Eligible Entity of the Services described in the Service Schedules, in accordance with the terms and conditions of this Agreement, to the satisfaction of Treasury; and (iii) the satisfaction by HFA and Eligible Entity of such other obligations as are set forth in this Agreement.

D. The value of this Agreement is limited to the amount set forth in Schedule A as the Purchase Price (the "Program Participation Cap"). Accordingly, the aggregate Purchase Price payable to Eligible Entity under this Agreement with respect to all Services described on the Service Schedules may not exceed the amount of the Program Participation Cap.

E. In the event of a discrepancy or error in the amount of the Purchase Price paid hereunder, at Treasury's election, (i) Eligible Entity shall remit to Treasury the amount of any overpayment within ten (10) business days of receiving a refund request from Treasury,

or (ii) Treasury may offset the amount of the overpayment against the next Capital Draw, upon written notice to Eligible Entity. It is understood that HFA shall not be required to advance any funds pursuant to this subsection.

F. At the election of Treasury and with prior notice to Eligible Entity, Treasury may deduct from any amount payable to Eligible Entity any amount that Eligible Entity or HFA is obligated to reimburse Treasury or the United States government.

G. The proceeds of each Capital Draw shall be deposited in an account (the “Depository Account”) held by The Bank of New York Mellon or such other depository institution chosen by Treasury in its sole discretion (the “Depository”), the account title, account number and other identifying information for which are provided in Schedule A. The Depository Account shall be used as Eligible Entity’s operating account for its performance of the Services and other obligations set forth in the Financial Instrument and this Agreement. As security for the performance of the Services and the other obligations of Eligible Entity under this Agreement and the Financial Instrument, Eligible Entity hereby grants to Treasury a first lien priority security interest in the Depository Account and in any moneys, or investments, if any, held therein. Eligible Entity shall enter into a deposit account control agreement with Treasury and the Depository, in form and substance acceptable to Treasury. Eligible Entity shall file a financing statement (and any continuation thereof required by law to maintain the perfection of the lien) identifying Eligible Entity as “debtor,” Treasury as “secured party” and describing the Depository Account in the UCC filing office for perfecting non-possessory security interests in tangible and intangible personal property of Eligible Entity or such other filing offices as Treasury may require. Copies of all filings and continuation statements shall be provided to Treasury promptly after filing. Funds held in the Depository Account may be invested in: (i) Cash, (ii) bank deposits, (iii) United States Treasury securities with maturities of not more than ninety (90) calendar days, (iv) money market mutual funds that (a) are registered with the SEC and regulated under Rule 2a-7 promulgated under the Investment Company Act of 1940 and (b) invested exclusively in direct obligations of the United States of America or obligations the prompt payment of the principal of and interest on which is unconditionally guaranteed by the United States of America and (v) any other investment approved by Treasury in writing.

4. Oversight; Internal Control Program

A. HFA shall develop and maintain operational and performance metrics and maintain a detailed financial reporting system to track, to the satisfaction of Treasury, homeowners receiving assistance from Eligible Entity, including metrics used to measure the effectiveness of the Services against the stated objectives of Treasury and HFA pursuant to the Service Schedules. Such information shall be compiled into a report in a form that will be provided by Treasury and may be modified from time to time as Treasury determines (the “Performance Report”); provided that Treasury, in its sole discretion, may modify the form of the Performance Report at any time. HFA shall submit the Performance Report to Treasury or its designee on a periodic basis and as otherwise requested by Treasury and shall also post the completed Performance Report to its website quarterly (based on a calendar year) by the fifteenth (15th) day of the second month following the end of such quarter. Treasury, in its sole discretion, may request that HFA modify its performance criteria or seek

additional metrics as necessary. Treasury may make any or all data reported by HFA available to the public. It is Treasury's policy not to release personal identifying information in its possession unless required to do so by law.

B. Eligible Entity shall develop, enforce and review on a quarterly basis for effectiveness, an internal control program designed to minimize the risk of fraud, mitigate conflicts of interest, maximize operational efficiency and effectiveness and ensure effective delivery of Services and compliance with this Agreement, EESA and Applicable Laws to the satisfaction of Treasury (the "Internal Control Program"). The Internal Control Program must include documentation of the control objectives for the Services, the associated control techniques, and mechanisms for testing and validating the controls. Eligible Entity shall monitor its contractors, if any, as part of the Internal Control Program. Eligible Entity shall certify, and provide an independent verification of the effectiveness of the Internal Control Program in accordance with a reporting form that will be provided by Treasury and may be modified from time to time as Treasury determines, at least annually no later than one hundred twenty (120) days after the end of Eligible Entity's fiscal year, including an assessment prior to the initial distribution of funds to perform Services, or at a reasonable time thereafter with the consent of Treasury, to ensure that Eligible Entity has taken appropriate steps to meet the HHF Program objectives. Said independent verification may be provided by a third party contractor or a governmental entity or department of the State so long as such entity or department is separate and distinct from HFA and Eligible Entity (e.g. the State Inspector General). Notwithstanding the foregoing, Eligible Entity shall be permitted to seek approval from Treasury to make a Capital Draw to conduct a pilot or test of certain or all of the Services prior to full launch of the same.

C. HFA and Eligible Entity acknowledge that Treasury may develop and implement practices to monitor and detect fraud related to loan modifications and any other programs contemplated pursuant to the Services and to monitor compliance with applicable consumer protection and fair lending laws, including among other laws, the Applicable Laws. HFA and Eligible Entity covenant that they will fully and promptly cooperate with Treasury's inquiries about any alleged, perceived or actual fraud and comply with any anti-fraud and legal compliance procedures which Treasury may require.

D. HFA and Eligible Entity covenant that they will together develop and implement an internal control program to ensure that HHF Program participants are meeting program requirements; to monitor, detect and prevent loan modification fraud; and to monitor compliance with applicable laws and regulations, including consumer protection and fair lending laws, among other things (the "Internal Antifraud and Compliance Monitoring Program"). The Internal Antifraud and Compliance Monitoring Program shall be developed and complete within ninety (90) days from the Effective Date, unless Treasury, in its sole discretion, consents to an extension of such time period. A copy of the plan for the Internal Antifraud and Compliance Monitoring Program, including, but not limited to, the approach, tools, techniques, staffing, cost and status of and time to implementation shall be submitted to Treasury within the time period set forth in the preceding sentence. HFA and Eligible Entity acknowledge that the Internal Antifraud and Compliance Monitoring Program will be monitored as provided in this Agreement. Each of HFA and Eligible Entity shall notify Treasury in writing if it desires to make any material modifications to its Internal Antifraud

and Compliance Monitoring Program and the same shall be subject to Treasury's approval. Additionally, HFA and Eligible Entity shall cooperate with Treasury with respect to its findings and any inquiries based on any review by Treasury or its designee of the Internal Antifraud and Compliance Monitoring Program or the results and data therefrom.

E. HFA and Eligible Entity shall provide Treasury or its designee with access to all internal control reviews and reports that relate to the Services, including those proposed by independent auditing firms, to enable Treasury to examine Eligible Entity and its contractors, if any, for compliance with applicable provisions of EESA, the HHF Program, this Agreement and Applicable Laws. A copy of the reviews and reports will be provided to Treasury upon request.

F. HFA and Eligible Entity shall respond promptly to Treasury's request for information regarding how the Eligible Entity's program(s) described in the Service Schedules will interact with new or changed housing programs funded by EESA's Troubled Asset Relief Program.

G. HFA shall provide annual audited financial statements to Treasury no later than one hundred eighty (180) days after the end of its fiscal year, commencing with the first fiscal year ending after the Effective Date. Eligible Entity shall provide (i) quarterly unaudited financial statements to Treasury no later than forty-five (45) days after the end of each quarter commencing with the first full quarter ending after the Effective Date and (ii) annual audited financial statements to Treasury no later than one hundred twenty (120) days after the end of its fiscal year, commencing with the first fiscal year ending after the Effective Date.

5. Term

A. The term of this Agreement shall begin on the Effective Date and extend to the End of Term or earlier termination of this Agreement by Treasury pursuant to the provisions hereof, or earlier suspension or termination of the Services by Treasury. Notwithstanding the foregoing, it is understood and agreed that certain administrative, monitoring, reporting, compliance and oversight obligations and requirements set forth in this Agreement and the Financial Instrument survive the expiration or termination of this Agreement or End of Term, and that funds are to be reserved as set forth in Schedule C to pay for the cost of the same.

B. This Agreement, or any of the Services implemented under this Agreement, may be terminated by Treasury prior to the end of the Term pursuant to Section 6 below.

6. Defaults, Acts of Bad Faith and Early Termination; Remedies for and Effects of Defaults, Acts of Bad Faith and Early Termination

A. The following constitute events of default by HFA or Eligible Entity under this Agreement (each, an "Event of Default" and, collectively, the "Events of Default"):

(2) HFA is dissolved or its existence as a unit or instrumentality of state government is terminated (unless HFA's duties, responsibilities and obligations as the state's housing finance agency, including specifically its duties, responsibilities and obligations under this Agreement, are transferred to and assumed by a successor state unit or instrumentality of state government approved by Treasury).

(3) Eligible Entity is dissolved or its legal existence is terminated (unless Eligible Entity's duties, responsibilities and obligations under this Agreement, are transferred to and assumed by a successor entity approved by Treasury).

(4) HFA or Eligible Entity: (a) ceases to do business as a going concern; (b) makes a general assignment for the benefit of, or enters into any arrangement with creditors in lieu thereof; (c) admits in writing its inability to pay its debts as they become due; (d) files a voluntary petition under any bankruptcy or insolvency law or files a voluntary petition under the reorganization or arrangement provisions of the laws of the United States or any other jurisdiction; (e) authorizes, applies for or consents to the appointment of a trustee or liquidator of all or substantially all of its assets; (f) has any substantial part of its property subjected to a levy, seizure, assignment or sale for or by any creditor or governmental agency; or (g) enters into an agreement or resolution to take any of the foregoing actions.

(5) HFA, Eligible Entity, any employee or contractor of HFA or Eligible Entity, or any employee or contractor of HFA's or Eligible Entity's contractors, commits a grossly negligent or reckless act, or willful or intentional misconduct (including, but not limited to, misrepresentation or fraud) in connection with the performance of the Services or this Agreement.

(6) Any representation or warranty made by HFA or Eligible Entity in this Agreement or any other certification provided pursuant to this Agreement, is or becomes false, misleading, incorrect, or incomplete in any material respect.

B. Treasury, in its sole discretion, may take any or all of the following actions upon the occurrence of an Event of Default:

- (1) Treasury may withhold some or all of the Purchase Price until, in Treasury's determination, HFA and/or Eligible Entity (as the case may be) has cured such Event of Default.
- (2) Treasury may: (i) reduce the amounts payable to Eligible Entity under Section 3; and/or (ii) obtain repayment of prior payments made to Eligible Entity under Section 3 to the extent that such funds have not been expended or irrevocably committed by Eligible Entity.

D. Treasury, in its sole discretion, may take any or all of the following actions if an Act of Bad Faith involving an HHF Recipient occurs, or is believed by Treasury to have occurred, in connection with the Services:

- (1) Treasury may withhold all or any portion of the Purchase Price until, in Treasury's determination, the Act of Bad Faith has been cured or otherwise remedied to Treasury's satisfaction.

(5) Treasury may require HFA and/or Eligible Entity to submit to additional information and reporting requirements with respect to its financial condition and ability to continue to meet its obligations under this Agreement.

E. In addition to the termination rights set forth above, Treasury may terminate this Agreement immediately upon written notice to Eligible Entity:

(1) in the event of a merger, acquisition, sale of substantially all assets or other change of control of Eligible Entity;

(2) in the event that a material term of this Agreement is determined to be prohibited or unenforceable as referred to in Section 13.C; or

(3) in the event the Financial Instrument is deemed to be unenforceable in its entirety.

F. In the event that this Agreement is terminated in connection with an Event of Default by HFA or Eligible Entity, no portion of the Purchase Price will be paid to Eligible Entity subsequent to termination.

G. Treasury may reduce the amounts payable to Eligible Entity under Section 3, or obtain repayment of prior Capital Draws made, in connection with: (a) an evaluation of HFA's and Eligible Entity's performance that includes any specific findings that HFA's or Eligible Entity's performance under any performance criteria set forth in the Service Schedules is materially insufficient, or (b) any failure by HFA or Eligible Entity to comply materially with any directive issued by Treasury with respect to documents or data requested, findings made, or remedies established, by Treasury in conjunction with such performance criteria or other HHF Program requirements; provided, however, Treasury will seek to obtain repayment of prior Capital Draws made under Section 3 only with respect to Services that are determined by Treasury to have been impacted by, or that Treasury believes may have been, or may be, impacted by, the findings giving rise to this remedy. Treasury may initially avail itself of this remedy in lieu of a specific declaration of an Event of Default; provided, however, that doing so shall not preclude Treasury from later declaring an Event of Default or exercising any other rights or remedies otherwise available to it under this Section 6, or at law or in equity, in connection with the event giving rise to this remedy, or any future events giving rise to this remedy. Notwithstanding anything in this Agreement to the contrary, Treasury may withhold payment of all or a portion of the Purchase Price if it determines, in its sole discretion, that Eligible Entity is incapable of performing the Services. It is understood that HFA shall not be required to advance or repay funds to Treasury unless and

only to the extent that, HFA has received HHF Program funds from Eligible Entity and the same would not cause HFA to violate state law or its enabling legislation or governing documents, as applicable, to do so.

H. The remedies available to Treasury upon an Event of Default or an Act of Bad Faith under this Section are cumulative and not exclusive; further, these remedies are in addition to, and not in lieu of, any other remedies available to Treasury at law or in equity.

I. In the event of the expiration or termination of this Agreement or any Service implemented under this Agreement under any circumstances, HFA, Eligible Entity and Treasury agree to cooperate with one another on an ongoing basis to ensure an effective and orderly wind-down of the Services, including the provision of any information, reporting, records and data required hereunder by Treasury.

J. Notwithstanding any provision to the contrary in this Agreement, temporary or permanent forbearance on Capital Draws of funds by the Eligible Entity shall not, in and of itself, constitute an Event of Default or an Act of Bad Faith by the HFA or the Eligible Entity nor trigger a demand for repayment under this Section. The HFA or the Eligible Entity shall provide Treasury with timely notice of any determination that such forbearance is necessary and in such event Treasury may elect to reduce the Purchase Price to the aggregate of Capital Draw Requests funded to date plus an amount for Administrative Expenses reasonably required to comply with the surviving terms of this Agreement.

7. Governing Law; Venue

This Agreement shall be governed by and construed under Federal law and not the law of any state or locality, without reference to or application of the conflicts of law principles; provided, however, that the powers and authority of the HFA shall be governed by and construed in accordance with the laws of its state. Any and all disputes between the parties that cannot be settled by mutual agreement shall be resolved solely and exclusively in the United States Federal courts located within the District of Columbia. All parties hereto consent to the jurisdiction and venue of such courts and irrevocably waive any objections thereto.

8. Notices

All legal notices, reports, requests, demands and other communications under this Agreement shall be in writing and referred to each party's point of contact or to such other point of contact at such other address as may be designated in writing by such party. Notices, reports, requests, demands and other communications sent to Treasury shall be sent by email to all of the email addresses listed below. Performance Reports and Capital Draw Requests shall be sent to Bank of New York Mellon only by email at the address listed below. The names and addresses of HFAs and Eligible Entity's points of contact are set forth in Schedule A. All such notices under this Agreement sent to HFA or Eligible Entity shall be considered received: (a) when personally delivered; (b) when delivered by commercial overnight courier with verification receipt; (c) three (3) days after having been sent, postage prepaid, via certified mail, return receipt requested; or (d) upon sending an email.

9. Modifications

A. Subject to Section 9.B., modifications to this Agreement shall be in writing and signed by Treasury, HFA and Eligible Entity.

B. Treasury reserves the right to unilaterally modify or supplement the terms and provisions of this Agreement that relate (as determined by Treasury, in its discretion) to the compliance and performance requirements of the HHF Program, and/or to technical, administrative, or procedural matters or compliance and reporting requirements that may impact the administration of the HHF Program. For the avoidance of doubt, reasonable incremental administrative expenses of the HFA or Eligible Entity associated with such a modification or supplement shall be Permitted Expenses.

C. In the event that Treasury agrees that (i) Eligible Entity may provide additional services under the HHF Program (a “New Service”), or (ii) the Services described in the Service Schedules shall be modified in any way, a replacement service schedule describing such additional or modified services, in substantially the form of the Service Schedules shall be executed and delivered by Eligible Entity. Concurrently with the delivery of such service schedule, HFA and Eligible Entity shall execute and deliver any such certificates, documents and/or legal opinions as may be required by Treasury. No additions, modifications or amendments to the Services shall be made without Treasury’s prior approval. Additionally, Eligible Entity may not propose any New Service after September 1, 2010 without Treasury’s and the Office of Management and Budget’s consent, which may be withheld in either party’s sole discretion.

10. Publicity

HFA and Eligible Entity shall consult with Treasury to develop a communication and outreach strategy to ensure that any public messages related to the Services is consistent with the intent of the HHF Program. HFA, Eligible Entity and their respective affiliates, subcontractors or servicers shall notify Treasury at least two (2) business days in advance and provide a copy of any proposed press releases (or other public statements) that refers to the HHF Program, their participation therein or the results thereof. Treasury shall have the right to object to or modify such press release or statement, in its sole discretion. In the event Treasury does not respond to the press release or statement within such two (2) business day period then it shall be deemed permissible to publish. This Section shall survive the termination or expiration of this Agreement.

11. Limitation of Liability

IN NO EVENT SHALL TREASURY, OR ITS OFFICERS, EMPLOYEES, AGENTS OR AFFILIATES BE LIABLE TO ELIGIBLE ENTITY WITH RESPECT TO THE SERVICES OR

THIS AGREEMENT, OR FOR ANY ACT OR OMISSION OCCURRING IN CONNECTION WITH THE FOREGOING, FOR ANY DAMAGES OF ANY KIND, INCLUDING, BUT NOT LIMITED TO DIRECT DAMAGES, INDIRECT DAMAGES, LOST PROFITS, LOSS OF BUSINESS, OR OTHER INCIDENTAL, CONSEQUENTIAL, SPECIAL OR PUNITIVE DAMAGES OF ANY NATURE OR UNDER ANY LEGAL THEORY WHATSOEVER, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES AND REGARDLESS OF WHETHER OR NOT THE DAMAGES WERE REASONABLY FORESEEABLE; PROVIDED, HOWEVER, THAT THIS PROVISION SHALL NOT LIMIT TREASURY'S OBLIGATION TO REMIT PURCHASE PRICE PAYMENTS TO ELIGIBLE ENTITY IN ACCORDANCE WITH THIS AGREEMENT.

D. Failure on the part of Treasury to insist upon strict compliance with any of the terms hereof shall not be deemed a waiver, nor will any waiver hereunder at any time be deemed a waiver at any other time. No waiver will be valid unless in writing and signed by an authorized officer of Treasury. No failure by Treasury to exercise any right, remedy, or power hereunder will operate as a waiver thereof or operate as a course of dealing as to which Eligible Entity may justifiably rely. The rights, remedies, and powers provided herein are cumulative and not exhaustive of any rights, remedies, and powers provided by law.

E. This Agreement shall inure to the benefit of and be binding upon the parties to this Agreement, and their permitted successors-in-interest. Treasury shall be permitted to assign its interest in this Agreement without the prior consent of HFA or Eligible Entity. Neither HFA, nor Eligible Entity shall be permitted to assign its interest in this Agreement without the prior written consent of Treasury, which may be withheld in Treasury's sole discretion.

F. This Agreement may be executed in two or more counterparts (and by different parties on separate counterparts), each of which shall be an original, but all of which together

shall constitute one and the same instrument. Facsimile or electronic copies of this Agreement, together with the Financial Instrument, the Service Schedules, and any certifications provided hereunder, shall be treated as originals for all purposes.

This Financial Instrument is effective as of the Effective Date. All of the capitalized terms that are used but not defined herein shall have the meanings ascribed to them in the Agreement.

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Eligible Entity agrees as follows:

1. Eligible Entity Obligation; Purchase Price Consideration.
 - (a) Eligible Entity shall perform all Services described in the Service Schedules in consideration for the Purchase Price described in subsection (b) below, in accordance with the terms and conditions of the Agreement, to the satisfaction of Treasury. The conditions precedent to the payment by Treasury of the Purchase Price with respect to the Services are set forth in Section 3(B) of the Agreement.
 - (b) This Financial Instrument is being purchased by Treasury pursuant to Section 3 of the Agreement through the payment by Treasury of various payments referred to collectively in the Agreement as the "Purchase Price". This Financial Instrument is being purchased by Treasury in connection with Eligible Entity's participation in the Housing Finance Agency Innovation Fund for the Hardest Hit Housing Markets program (the "HHF Program") created under the Emergency Economic Stabilization Act of 2008 (P.L. 110-343), as amended, as the same may be amended from time to time ("EESA").
2. Repayment of Purchase Price. In the event a recipient of HHF Program funds repays any or all of the funds received from Eligible Entity in connection with the Services, Eligible Entity shall use such funds as follows:
 - (a) First, if such funds are repaid during the Term, Eligible Entity shall use such repaid funds to continue to provide Services to other eligible homeowners.
 - (b) Second, if such funds are repaid after the termination or expiration of the Term, Eligible Entity shall use such repaid amounts to replenish the required reserve for administrative expenses until the reserve amount indicated on the Service Schedule for such year is satisfied.
 - (c) Third, if such funds are repaid after the termination or expiration of the Term, and no amounts are required to replenish the required reserve for administrative expenses pursuant to Section 2(b) above, Eligible Entity shall remit such funds to Treasury, monthly on the 15th day of each month or first business day thereafter.

3. Final Repayment. In the event Eligible Entity is holding any HHF Programs funds, including, but not limited to, excess cash and amounts on deposit in the administrative reserve, as of December 31, 2017, such funds shall be returned to Treasury or its designee prior to 1:00 p.m. Eastern Standard Time on December 31, 2017.
4. Security Interest. As security for the performance of the Services and the other obligations of Eligible Entity under the Agreement, as such obligations are evidenced in this Financial Instrument, Eligible Entity has granted to Treasury a first lien priority security interest in the Depository Account and in any moneys, or investments, if any, held therein.
5. Representations, Warranties and Covenants. Eligible Entity represents and warrants that the representations and warranties set forth in the Agreement, on the date hereof, are, and on the date of each Capital Draw hereunder, shall be, true, correct, accurate and complete in all material respects. The truth and accuracy of such representations and warranties are continuing obligations of Eligible Entity. Additionally, all covenants of Eligible Entity set forth in Section 2 of the Agreement are incorporated herein by reference and Eligible Entity, on the date hereof, is not, and on the date of each Capital Draw hereunder, shall not be in breach of any such covenants. In the event that any of the representations or warranties made herein or in the Agreement cease to be true and correct, or the Eligible Entity breaches any of the covenants made herein or in the Agreement, Eligible Entity agrees to notify Treasury immediately and the same shall constitute an Event of Default hereunder.
6. Limitation of Liability

IN NO EVENT SHALL TREASURY, OR ITS OFFICERS, EMPLOYEES, AGENTS OR AFFILIATES BE LIABLE TO ELIGIBLE ENTITY WITH RESPECT TO THE SERVICES OR THE AGREEMENT, OR FOR ANY ACT OR OMISSION OCCURRING IN CONNECTION WITH THE FOREGOING, FOR ANY DAMAGES OF ANY KIND, INCLUDING, BUT NOT LIMITED TO DIRECT DAMAGES, INDIRECT DAMAGES, LOST PROFITS, LOSS OF BUSINESS, OR OTHER INCIDENTAL, CONSEQUENTIAL, SPECIAL OR PUNITIVE DAMAGES OF ANY NATURE OR UNDER ANY LEGAL THEORY WHATSOEVER, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES AND REGARDLESS OF WHETHER OR NOT THE DAMAGES WERE REASONABLY FORESEEABLE; PROVIDED, HOWEVER, THAT THIS PROVISION SHALL NOT LIMIT TREASURY'S OBLIGATION TO REMIT PURCHASE PRICE PAYMENTS TO ELIGIBLE ENTITY IN ACCORDANCE WITH THE AGREEMENT.

7. Indemnification

Eligible Entity agrees as set forth on Schedule E to the Agreement, which Schedule E is hereby incorporated into this Financial Instrument by reference.

IN WITNESS WHEREOF, Eligible Entity hereby executes this Financial Instrument on the date set forth below.

SERVICE SCHEDULE B-1

Florida Hardest Hit Fund Mortgage Intervention Strategy Summary Guidelines

1. Program Overview	The strategy focuses on the creation of a sustainable solution to keep Florida unemployed or underemployed homeowners in their current homes by helping those who are struggling to make their current mortgage payments because of hardships sustained since purchasing the home. Florida Housing will use HHF Program funds to pay up to nine months of mortgage payments on behalf of a qualified homeowner. It is anticipated that in return for these funds, the bank, credit union or mortgage investor will forgive up to nine months of payments. This partnership will potentially extend the time period for homeowners to become re-employed, to up to 18 months, at a salary that is sufficient to allow them to either resume making full mortgage payments or qualify for a mortgage modification that will lower the payments and terms of the mortgage to an affordable level.
2. Program Goals	<ul style="list-style-type: none">• Preserving homeownership.• Protect home values.
3. Target Population/ Areas	To determine geographic targeting for HHF Program funding, Florida Housing carried out an analysis of data, relying on data similar to that used by Treasury to allocate funding, to determine the hardest hit areas of the state. Florida Housing evaluated three measures across all 67 Florida counties – housing price decline from peak prices, unemployment rate and seriously delinquent mortgage loans – and then combined ratios for each to create an allocation methodology that will guide how funding is geographically targeted.
4. Program Allocation (Excluding Administrative Expenses)	\$380 million.
5. Borrower Eligibility Criteria	<ul style="list-style-type: none">• The homeowner’s financial hardship must be due to circumstances beyond the homeowner’s control. This hardship must be documented and the borrower will be required to provide a financial hardship affidavit.• The maximum income level for participation will be 140% of the Area Median Income (AMI).• Housing counselors will determine eligibility of the homeowners for the Mortgage Intervention Strategy. It is anticipated that there will be more demand than the funds can

	<p>support. The funds will be distributed on a first come, first ready, first served methodology.</p>
<p>6. Property/Loan Eligibility Criteria</p>	<ul style="list-style-type: none"> • The property must be the borrower's principal residence and be located in Florida. • The borrower's mortgage must be under the maximum mortgage amount, which will vary based on location of the home.
<p>7. Program Exclusions</p>	<ul style="list-style-type: none"> • Mortgaging of the property for commercial or business purposes. • Termination of employment by the homeowner without a necessitous cause or termination of the homeowner's employment by an employer for willful misconduct. • The homeowner had sufficient income to pay the mortgage but failed to do so – in this regard, if the homeowner's total housing expense is less than or equal to 40% of calculated income, and no reasonable cause for financial hardship is demonstrated by the homeowner, then the nonpayment of the mortgage debt will not be considered to be a circumstance beyond the homeowner's control. • The homeowner's financial hardship was a result of money mismanagement or an over extension of credit to the homeowner – in this regard, debts incurred or expenditures made by the homeowner for non-necessities, prior or during the financial hardship, which exceeded the homeowner's ability to pay, will be considered evidence of poor financial management.
<p>8. Structure of Assistance</p>	<p>HHF Program funds under the Mortgage Intervention Strategy will be made available to homeowners in the form of a zero-percent interest, with a term of up to 78 months, forgivable loan. This loan will be evidenced by a Note and Mortgage in favor of Florida Housing. Once the homeowner resumes making mortgage payments or is able to modify their existing mortgage, which are anticipated to happen before month 18, the forgivable provisions of the loan will begin. If the homeowner is receives the full 18 months of mortgage payments, the effect on the loan will be 18 months of payments made by Florida Housing and the servicer or investor and 5 years of 20 percent being forgiven at the end of each of the remaining years as long as the borrower remains current on their first mortgage and continues to live in the house as their principal residence. The forgiveness provisions would start earlier if the borrower does not receive the full 18 months of payments from Florida Housing and the servicer or</p>

	<p>investor.</p> <p>Once the homeowner has regained substantive employment, funds may be made available for either a principal write-down or a second mortgage lien reduction. To receive a principal write-down, Florida Housing will only consider the amount necessary to facilitate a HAMP or other type of modification possible. If the homeowner has subordinate liens that are impeding a successful first mortgage modification, Florida Housing will consider offering a subordinate lien reduction in an amount which will help facilitate successful modification. Both the principal write-down and the subordinate lien reduction payments will be added to the original recorded mortgage under the same terms.</p> <p>If the homeowner sells the home during any part of the 78 month term, the remaining principal balance will be due to Florida Housing and recycled back into the program. If there is not enough equity in the home to repay the entire amount due, Florida Housing may forgive a portion or all of the remaining principal balance so as to not create additional hardships on the seller at closing. After stabilization, Florida Housing will be making annual residency verifications to ensure continued principal residence status and will also be checking with their mortgage company to verify payment history during the previous 12 month period. As there will be a recorded Mortgage on the property, Florida Housing will be notified if the homeowner intends to sell the home. Florida Housing will process the repayment.</p>
<p>9. Per Household Assistance</p>	<p>Estimated Median Amount Mortgage Payments - \$14,750 Estimated Maximum Amount Mortgage Payments - \$21,300</p> <p>Estimated Median Amount Principal Write-down and Subordinate Lien Reduction (together if necessary) - \$25,450</p> <p>Estimated Maximum Amount Principal Write-down and Subordinate Lien Reduction (together if necessary) - \$36,750</p> <p>(These amounts vary based on location of the homeowner)</p> <p>A borrower may receive both a Principal Write-down and a Subordinate Lien Reduction but these payments when added together will not exceed the estimated maximum amount detailed above.</p>
<p>10. Duration of Assistance</p>	<p>The homeowner can receive assistance up to 9 months of payments from Florida Housing and have up to 9 months of payments forgiven by the servicer.</p>

<p>11. Estimated Number of Participating Households</p>	<p>The \$380 million allocation to the Mortgage Intervention Strategy is anticipated to be disbursed over a five year period. Florida Housing anticipates that this strategy will be able to serve approximately 1,500 to 2,500 homeowners a year for a total of 7,500 to 12,500 homeowners over the five year period.</p>
<p>12. Program Inception/ Duration</p>	<p>It is anticipated that it will take two months to issue and process the necessary RFQ for Housing Counseling Agencies. Florida Housing anticipates that the RFQ will be finalized, scored and presented to the Board of Directors of Florida Housing at the end of July 2010. It is anticipated to take another 4 to 6 weeks, or by mid September 2010, to get all the required contracts signed and the agencies properly trained on the program requirements. It is anticipated that this strategy will last for 5 years.</p>
<p>13. Program Interactions with Other Programs (e.g. other HFA programs)</p>	<p>Florida Housing recognizes that not every homeowner facing difficulties making their mortgage payments will qualify for the Mortgage Intervention Strategy. That is why Florida Housing proposes partnering with local housing counseling agencies to meet with interested homeowners and provide for intake and application processing. Before a client may be considered for the Mortgage Intervention Strategy, the homeowner must first be screened for eligibility under HAMP. If a HAMP modification is not possible at the time of intake, these counselors will be able to look at individual homeowners' circumstances and determine the best course of action. Some other possible outcomes for these homeowners could be a loan modification without the Mortgage Intervention Strategy assistance, another Making Home Affordable initiative including HAFA or 2MP, a short sale, deed-in-lieu of foreclosure or a referral to an attorney who could assist with issues relating to mortgage fraud or predatory lending; provided that funds received from Treasury through the HHP Program will only be used to support counseling relating to HAMP, the Mortgage Innovation Strategy, another Making Home Affordable Initiative or another TARP funded modification program.</p>
<p>14. Program Interactions with HAMP</p>	<p>When a homeowner contacts a local housing counseling agency for assistance, the agency will first screen the homeowner for eligibility for a HAMP modification. It is anticipated that the Mortgage Intervention Strategy will work with borrowers who are ineligible for any modifications (including HAMP) because currently they are unemployed/underemployed and do not have sufficient income to qualify under the other modification programs. After the homeowner is reemployed at an income that allows for modification, then the housing counselor will help the homeowner with any modification necessary to create a sustainable homeownership environment.</p>
<p>15. Program Leverage with</p>	<p>It is anticipated that Florida Housing will use these funds to pay</p>

Other Financial Resources	<p>up to nine months of mortgage payments on behalf of a homeowner in return for the bank, credit union or mortgage investor forgiving up to nine months of payments. It is anticipated that the lender match would be funded every other month, but this has not been confirmed with the servicers. Florida Housing is hoping for a 1:1 match, but will continue working with servicers and the GSEs to attain the maximum leverage possible for these funds.</p> <p>Florida Housing would be looking to the investor or lender to provide matching funds if a principal reduction is necessary to facilitate a modification. Additionally, if the borrower has a subordinate mortgage, Florida Housing will only offer funds if the subordinate lien holder(s) is willing to take the amount supplied by Florida Housing, plus any other funds that can be used to pay down the subordinate liens, to extinguish the debt to allow the first mortgage to be modified.</p>
