PROGRAM GUIDANCE

PROGRAM: Indian Community Development Block Grant (ICDBG)

FOR: All Tribal Government Leaders and Tribally Designated Housing Entities (TDHE)

FROM: Ted Key, Acting Deputy Assistant Secretary, PN

TOPIC: Minority Business Enterprise Reports

Purpose: This guidance highlights the minority business enterprise reporting requirements for the Indian Community Development Block Grant (ICDBG) Program.

Background: Executive Order 12432, Minority Business Enterprise Development, requires each Federal agency with substantial procurement or grant making authority to develop minority business development plans, and to provide an annual report on activities implementing minority business development plans.

The regulations at 24 CFR Part 85.36 sets out the Government's requirements for grantee procurement and contracting, including the requirement at §85.36(e) that grantees and subgrantees take affirmative steps to ensure that minority firms, women's business enterprises, and labor surplus area firms are used whenever possible. HUD monitors compliance of this requirement through submission of the Contract and Subcontract Activity Report.

The ICDBG regulations at 24 CFR 1003.506 (b) require that grantees submit to HUD semi-annually a minority business enterprise report.

Submission: The report, prepared on form HUD-2516, Contract and Subcontract Activity Report, must be submitted to the Area Office of Native American Programs, as follows:

For reporting period ending:
March 31
September 30

Due:
April 10
October 10

PROGRAM GUIDANCE 2002-14 (RECIP)

Disregard the information in block 4 of the report that indicates this is an annual report. Instead, write in the appropriate reporting period indicated above. A regulatory change will be required before ONAP can change the reporting requirements for tribes to an annual submission. Until that occurs, the report must be submitted semi-annually.

Attached for your information is a copy of form HUD-2516, Contract and Subcontract Activity Report.

Inquiries: If you have any questions regarding this report, please contact your local Area Office of Native American Programs.

This report is to be completed by grantees, developers, sponsors, builders, agencies, and/or project owners for reporting contract and subcontract activities of \$10,000 or more under the following programs: Community Development Block Grants (entitlement and small cities); Urban Development Action Grants; Housing Development Grants; Multifamily Insured and Noninsured; Public and Indian Housing Authorities; and contracts entered into by recipients of CDBG rehabilitation assistance.

Contracts/subcontracts of less than \$10,000 need be reported only if such contracts represent a significant portion of your total contracting activity. Include only contracts executed during this reporting period.

This form has been modified to capture Section 3 contract data in columns 7g and 7i. Section 3 requires that the employment and other economic opportunities generated by HUD financial assistance for housing and community development programs shall, to the greatest extent feasible, be directed toward low- and very low-income persons, particularly those who are recipients of government assistance for housing. Recipients using this form to report Section 3 contract data must also use Part I of form HUD-60002 to report employment and training opportunities data. Form HUD-2516 is to be

completed for public and Indian housing and most community development programs. Form HUD-60002 is to be completed by all other HUD programs including State administered community development programs covered under Section 3.

A Section 3 contractor/subcontractor is a business concern that provides economic opportunities to low- and very low-income residents of the metropolitan area (or nonmetropolitan county), including a business concern that is 51 percent or more owned by low- or very low-income residents; employs a substantial number of low- or very low-income residents; or provides subcontracting or business development opportunities to businesses owned by low- or very low-income residents. Low- and very low-income residents include participants in Youthbuild programs established under Subtitle D of Title IV of the Cranston-Gonzalez National Affordable Housing Act.

The terms "low-income persons" and "very low-income persons" have the same meanings given the terms in section 3(b)(2) of the United States Housing Act of 1937. Low-income persons mean families (including single persons) whose incomes do not exceed 80 per centum of the median income for the area, as determined by the Secretary, with adjustments for smaller and larger families, except that the Secretary

may establish income ceilings higher or lower than 80 per centum of the median for the area on the basis of the Secretary's findings that such variations are necessary because of prevailing levels of construction costs or unusually high or low-income families. Very low-income persons means low-income families (including single persons) whose incomes do not exceed 50 per centum of the median family income for the area, as determined by the Secretary with adjustments for smaller and larger families, except that the Secretary may establish income ceilings higher or lower than 50 per centum of the median for the area on the basis of the Secretary's findings that such variations are necessary because of unusually high or low family incomes.
