(d) Reference to museums

Any reference in any law, map, regulation, document, paper, or other record of the United States to a museum designated by law to be a museum of America's National Maritime Museum shall be deemed to be a reference to that museum as a museum of America's National Maritime Museum.

AMENDMENTS

2000—Par. (4). Pub. L. 106-562 inserted “or subject to the jurisdiction of the United States” after “United States” in introductory provisions.

§ 5503. Permitting

(a) In general

No high seas fishing vessel shall engage in harvesting operations on the high seas unless the vessel has on board a valid permit issued under this section.

(b) Eligibility

(1) Any vessel of the United States is eligible to receive a permit under this section, unless the vessel was previously authorized to be used for fishing on the high seas by a foreign nation, and

(A) the foreign nation suspended such authorization because the vessel undermined the effectiveness of international conservation and management measures, and the suspension has not expired; or

(B) the foreign nation, within the last three years preceding application for a permit under this section, withdrew such authorization because the vessel undermined the effectiveness of international conservation and management measures.

(2) The restriction in paragraph (1) does not apply if ownership of the vessel has changed since the vessel undermined the effectiveness of international conservation and management measures, and the new owner has provided sufficient evidence to the Secretary demonstrating that the previous owner or operator has no further legal, beneficial or financial interest in, or control of, the vessel.

(3) The restriction in paragraph (1) does not apply if the Secretary makes a determination that issuing a permit would not subvert the purposes of the Agreement.

(4) The Secretary may not issue a permit to a vessel unless the Secretary is satisfied that the United States will be able to exercise effectively its responsibilities under the Agreement with respect to that vessel.

(c) Application

(1) The owner or operator of a high seas fishing vessel may apply for a permit under this section by completing an application form prescribed by the Secretary.

(2) The application form shall contain—

- (A) the vessel's name, previous names (if known), official numbers, and port of record;
- (B) the vessel's previous flags (if any);
- (C) the vessel's International Radio Call Sign (if any);
- (D) the names and addresses of the vessel's owners and operators;
- (E) where and when the vessel was built;
- (F) the type of vessel;
- (G) the vessel's length; and
- (H) any other information the Secretary requires for the purposes of implementing the Agreement.

(d) Conditions

The Secretary shall establish such conditions and restrictions on each permit issued under this section as are necessary and appropriate to carry out the obligations of the United States under the Agreement, including but not limited to the following:

- (1) The vessel shall be marked in accordance with the FAO Standard Specifications for the Marking and Identification of Fishing Vessels, or with regulations issued under section 1855 of this title; and
- (2) The permit holder shall report such information as the Secretary by regulation requires, including area of fishing operations and catch statistics. The Secretary shall promulgate regulations concerning conditions under which information submitted under this paragraph may be released.

(e) Fees

(1) The Secretary shall by regulation establish the level of fees to be charged for permits issued under this section. The amount of any fee charged for a permit issued under this section shall not exceed the administrative costs incurred in issuing such permits. The permitting fee may be in addition to any fee required under any regional permitting regime applicable to high seas fishing vessels.

(2) The fees authorized by paragraph (1) shall be collected and credited to the Operations, Research and Facilities account of the National Oceanic and Atmospheric Administration. Fees collected under this subsection shall be available for the necessary expenses of the National Oceanic and Atmospheric Administration in implementing this chapter, and shall remain available until expended.

(f) Duration

A permit issued under this section is valid for 5 years. A permit issued under this section is void in the event the vessel is no longer eligible for United States documentation, such documentation is revoked or denied, or the vessel is deleted from such documentation.

- (5) report promptly to FAO all relevant information regarding any activities of high seas fishing vessels that undermine the effectiveness of international conservation and management measures, including the identity of the vessels and any sanctions imposed; and
- (6) provide the FAO a summary of evidence regarding any activities of foreign vessels that undermine the effectiveness of international conservation and management measures.

(c) Information to flag nations

If the Secretary, in cooperation with the Secretary of State and the Secretary of the department in which the Coast Guard is operating, has reasonable grounds to believe that a foreign vessel has engaged in activities undermining the effectiveness of international conservation and management measures, the Secretary shall—

- (1) provide to the flag nation information, including appropriate evidentiary material, relating to those activities; and
- (2) when such foreign vessel is voluntarily in a United States port, promptly notify the flag nation and, if requested by the flag nation, make arrangements to undertake such lawful investigatory measures as may be considered necessary to establish whether the vessel has been used contrary to the provisions of the Agreement.

(d) Regulations

The Secretary, after consultation with the Secretary of State and the Secretary of the department in which the Coast Guard is operating, may promulgate such regulations, in accordance with section 553 of title 5, as may be necessary to carry out the purposes of the Agreement and this chapter. The Secretary shall coordinate such regulations with any other entities regu-

lating high seas fishing vessels, in order to minimize duplication of permit application and reporting requirements. To the extent practicable, such regulations shall also be consistent with regulations implementing fishery management plans under the Magnuson-Stevens Fishery Conservation and Management Act (16 U.S.C. 1801 et seq.).

(e) Notice of international conservation and management measures

The Secretary, in consultation with the Secretary of State, shall publish in the Federal Register, from time to time, a notice listing international conservation and management measures recognized by the United States.

Such Secretaries may by agreement utilize, on a reimbursable basis or otherwise, the personnel, services, equipment (including aircraft and vessels), and facilities of any other Federal agency, or of any State agency, in the performance of such duties. Such Secretaries shall, and the head of any Federal or State agency that has entered into an agreement with either such Secretary under this section may (if the agreement so provides), authorize officers to enforce the provisions of this chapter or any regulation or permit issued under this chapter.

(b) District court jurisdiction

The district courts of the United States shall have exclusive jurisdiction over any case or controversy arising under the provisions of this chapter. In the case of Guam, and any Commonwealth, territory, or possession of the United States in the Pacific Ocean, the appropriate court is the United States District Court for the District of Guam, except that in the case of American Samoa, the appropriate court is the United States District Court for the District of Hawaii.

(c) Powers of enforcement officers

(1) Any officer who is authorized under subsection (a) of this section to enforce the provisions of this chapter may—

(A) with or without a warrant or other process—

(ii) board, and search or inspect, any high seas fishing vessel;

(iii) seize any high seas fishing vessel (together with its fishing gear, furniture, appurtenances, stores, and cargo) used or employed in, or with respect to which it reasonably appears that such vessel was used or employed in, the violation of any provision of this chapter or any regulation or permit issued under this chapter;

TRANSFER OF FUNCTIONS

For transfer of authorities, functions, personnel, and assets of the Coast Guard, including the authorities and functions of the Secretary of Transportation relating thereto, to the Department of Homeland Security, and for treatment of related references, see sections 468(b), 551(d), 552(d), and 557 of Title 6, Domestic Security, and the Department of Homeland Security Reorganization Plan of November 25, 2002, as modified, set out as a note under section 542 of Title 6.

§ 5507. Civil penalties and permit sanctions

(a) Civil penalties

(1) Any person who is found by the Secretary, after notice and opportunity for a hearing in accordance with section 554 of title 5, to have committed an act prohibited by section 5505 of this title shall be liable to the United States for a civil penalty. The amount of the civil penalty shall not exceed \$100,000 for each violation. Each day of a continuing violation shall constitute a separate offense. The amount of such civil penalty shall be assessed by the Secretary by written notice. In determining the amount of such penalty, the Secretary shall take into account the nature, circumstances, extent, and gravity of the prohibited acts committed and, with respect to the violation, the degree of culpability, any history of prior offenses, and such other matters as justice may require.

(2) The Secretary may compromise, modify, or remit, with or without conditions, any civil penalty that is subject to imposition or that has been imposed under this section.

(b) Permit sanctions

(1) In any case in which—

(A) a vessel of the United States has been used in the commission of an act prohibited under section 5505 of this title;

(B) the owner or operator of a vessel or any other person who has been issued or has applied for a permit under section 5503 of this title has acted in violation of section 5505 of this title; or

(C) any amount in settlement of a civil forfeiture imposed on a high seas fishing vessel or other property, or any civil penalty or criminal fine imposed on a high seas fishing vessel or on an owner or operator of such a vessel or on any other person who has been issued or has applied for a permit under any fishery resource statute enforced by the Secretary, has not been paid and is overdue, the Secretary may—

(i) revoke any permit issued to or applied for by such vessel or person under this chapter, with or without prejudice to the issuance of subsequent permits;

(ii) suspend such permit for a period of time considered by the Secretary to be appropriate;

(iii) deny such permit; or

(iv) impose additional conditions and restrictions on such permit.

(2) In imposing a sanction under this subsection, the Secretary shall take into account—

(A) the nature, circumstances, extent, and gravity of the prohibited acts for which the sanction is imposed; and

(B) with respect to the violator, the degree of culpability, any history of prior offenses, and such other matters as justice may require.

(3) Transfer of ownership of a high seas fishing vessel, by sale or otherwise, shall not extinguish any permit sanction that is in effect or is pending at the time of transfer of ownership. Before executing the transfer of ownership of a vessel, by sale or otherwise, the owner shall disclose in writing to the prospective transferee the existence of any permit sanction that will be in ef-

fect or pending with respect to the vessel at the time of the transfer. The Secretary may waive or compromise a sanction in the case of a transfer pursuant to court order.

(4) In the case of any permit that is suspended under this subsection for nonpayment of a civil penalty or criminal fine, the Secretary shall reinstate the permit upon payment of the penalty or fine and interest thereon at the prevailing rate.

(5) No sanctions shall be imposed under this subsection unless there has been prior opportunity for a hearing on the facts underlying the violation for which the sanction is imposed, either in conjunction with a civil penalty proceeding under this section or otherwise.

(c) Hearing

For the purposes of conducting any hearing under this section, the Secretary may issue subpoenas for the attendance and testimony of witnesses and the production of relevant papers, books, and documents, and may administer oaths. Witnesses summoned shall be paid the same fees and mileage that are paid to witnesses in the courts of the United States. In case of contempt or refusal to obey a subpoena served upon any person pursuant to this subsection, the district court of the United States for any district in which such person is found, resides, or transacts business, upon application by the United States and after notice to such person, shall have jurisdiction to issue an order requiring such person to appear and give testimony before the Secretary or to appear and produce documents before the Secretary, or both, and any failure to obey such order of the court may be punished by such court as a contempt thereof.

(d) Judicial review

Any person against whom a civil penalty is assessed under subsection (a) of this section or against whose vessel a permit sanction is imposed under subsection (b) of this section (other than a permit suspension for nonpayment of penalty or fine) may obtain review thereof in the United States district court for the appropriate district by filing a complaint against the Secretary in such court within 30 days from the date of such penalty or sanction. The Secretary shall promptly file in such court a certified copy of the record upon which such penalty or sanction was imposed, as provided in section 2112 of title 28. The findings and order of the Secretary shall be set aside by such court if they are not found to be supported by substantial evidence, as provided in section 706(2) of title 5.

(e) Collection

(1) If any person fails to pay an assessment of a civil penalty after it has become a final and unappealable order, or after the appropriate court has entered final judgment in favor of the Secretary, the matter shall be referred to the Attorney General, who shall recover the amount assessed in any appropriate district court of the United States. In such action the validity and appropriateness of the final order imposing the civil penalty shall not be subject to review.

(2) A high seas fishing vessel (including its fishing gear, furniture, appurtenances, stores,

and cargo) used in the commission of an act prohibited by section 5505 of this title shall be liable in rem for any civil penalty assessed for such violation under subsection (a) of this section and may be proceeded against in any district court of the United States having jurisdiction thereof. Such penalty shall constitute a maritime lien on such vessel that may be recovered in an action in rem in the district court of the United States having jurisdiction over the vessel.

(Pub. L. 104-43, title I, § 108, Nov. 3, 1995, 109 Stat. 373.)

§ 5508. Criminal offenses

(a) Offenses

A person is guilty of an offense if the person commits any act prohibited by paragraph (6), (7), (8), or (9) of section 5505 of this title.

(b) Punishment

Any offense described in subsection (a) of this section is a class A misdemeanor punishable by a fine under title 18, or imprisonment for not more than one year, or both; except that if in the commission of any offense the person uses a dangerous weapon, engages in conduct that causes bodily injury to any authorized officer, or places any such officer in fear of imminent bodily injury, the offense is a felony punishable by a fine under title 18, or imprisonment for not more than 10 years, or both.

(Pub. L. 104-43, title I, § 109, Nov. 3, 1995, 109 Stat. 375.)

§ 5509. Forfeitures

(a) In general

Any high seas fishing vessel (including its fishing gear, furniture, appurtenances, stores, and cargo) used, and any living marine resources (or the fair market value thereof) taken or retained, in any manner, in connection with or as a result of the commission of any act prohibited by section 5505 of this title (other than an act for which the issuance of a citation under section 5506 of this title is a sufficient sanction) shall be subject to forfeiture to the United States. All or part of such vessel may, and all such living marine resources (or the fair market value thereof) shall, be forfeited to the United States pursuant to a civil proceeding under this section.

(b) Jurisdiction of district courts

Any district court of the United States shall have jurisdiction, upon application of the Attorney General on behalf of the United States, to order any forfeiture authorized under subsection (a) of this section and any action provided for under subsection (d) of this section.

(c) Judgment

If a judgment is entered for the United States in a civil forfeiture proceeding under this section, the Attorney General may seize any property or other interest declared forfeited to the United States, which has not previously been seized pursuant to this chapter or for which security has not previously been obtained. The provisions of the customs laws relating to—

- (1) the seizure, forfeiture, and condemnation of property for violation of the customs law;
- (2) the disposition of such property or the proceeds from the sale thereof; and
- (3) the remission or mitigation of any such forfeiture;

shall apply to seizures and forfeitures incurred, or alleged to have been incurred, under the provisions of this chapter, unless such provisions are inconsistent with the purposes, policy, and provisions of this chapter.

(d) Procedure

(1) Any officer authorized to serve any process in rem that is issued by a court under section 5506(b) of this title shall—

- (A) stay the execution of such process; or
- (B) discharge any living marine resources seized pursuant to such process;

upon receipt of a satisfactory bond or other security from any person claiming such property. Such bond or other security shall be conditioned upon such person delivering such property to the appropriate court upon order thereof, without any impairment of its value, or paying the monetary value of such property pursuant to an order of such court. Judgment shall be recoverable on such bond or other security against both the principal and any sureties in the event that any condition thereof is breached, as determined by such court.

(2) Any living marine resources seized pursuant to this chapter may be sold, subject to the approval of the appropriate court, for not less than the fair market value thereof. The proceeds of any such sale shall be deposited with such court pending the disposition of the matter involved.

(e) Rebuttable presumption

For purposes of this section, all living marine resources found on board a high seas fishing vessel and which are seized in connection with an act prohibited by section 5505 of this title are presumed to have been taken or retained in violation of this chapter, but the presumption can be rebutted by an appropriate showing of evidence to the contrary.
