Source: U.S. Census Bureau, 2002 Economic Census of Island Areas, March 2006; 2007 American Community Survey, 1 year estimates; Census 2000, July 2002. Notes: An establishment is a single physical location at which business is conducted and/or services are provided. It is not necessarily identical to a firm, company or enterprise, which may consist of one establishment or more. Includes publicly held firms and all other firms regardless of ownership. Other Services includes firms not provided for elsewhere in the classification system which are engaged in activities such as equipment and machinery repairing, promoting religious activities, grant-making, advocacy, providing dry-cleaning and laundry services, personal care services and dating services.
