

AP4. APPENDIX 4GENERIC CODESAP4.1. GENERIC CODES

The Generic Code is a three-character code assigned to each item in the Military Articles and Services List (MASL) to categorize articles, services, and training for reporting and management purposes. The first character is an alpha character identifying the budget activity. The second character is a numeric assigned each Budget Project (BP). The third character is an alpha character assigned to identify groupings of articles, services, and training.

Budget Activity Code	Activity
A	Aircraft
B	Missiles
C	Ships
D	Combat Vehicles
E	Tactical and Support Vehicles
F	Weapons
G	Ammunition
H	Communications Equipment
J	Support Equipment
K	Supplies
L	Supply Operations
M	Maintenance of Equipment
N	Training (FMS 1200 System Only)
N	Training (MAP 1000 System Only)
P	Research & Development
Q	Construction
R	Special Activities
T	Administrative Expenses
U	Foreign Military Sales Order (FMSO) (FMS 1200 System Only)
