FEDERAL ELECTION COMMISSION
OFFICE OF PUBLIC AFFAIRS

Comment : I think you guys should stop regulating freedom of speech, and stopping people from spending money on freedom of speech stuff. People have a right to spend their money however they want, and say what they want, and people running for office have that same right. Let's say Bush promised someone something for a bribe. What would stop that from happening? You? Ha ha ha! Newspapers which make money, and radio stations which make money, and people using the internet would find out and talk about it, and Bush would lose votes. That's the real reason people avoid bribes. THAT's freedom of speech in action! We need more of it, not less! I don't trust you guys and I think all of your regulations are injurious to liberty and should be stopped! Leave us alone! Read the FIRST AMENDMENT! The power to regulate is the power to destroy!
