Handling a TNC

- The employee has eight federal government workdays from the referral date to visit or call the appropriate agency and resolve the discrepancy.
- The **employee continues to work** without any adverse actions against him or her during the TNC resolution process.
- Once the employee resolves the discrepancy in his or her records, he or she should inform the employer.
- With both an **SSA TNC** and a **DHS TNC**, a response is electronically sent to the employer through the system. The employer should check E-Verify periodically for one of the following responses:

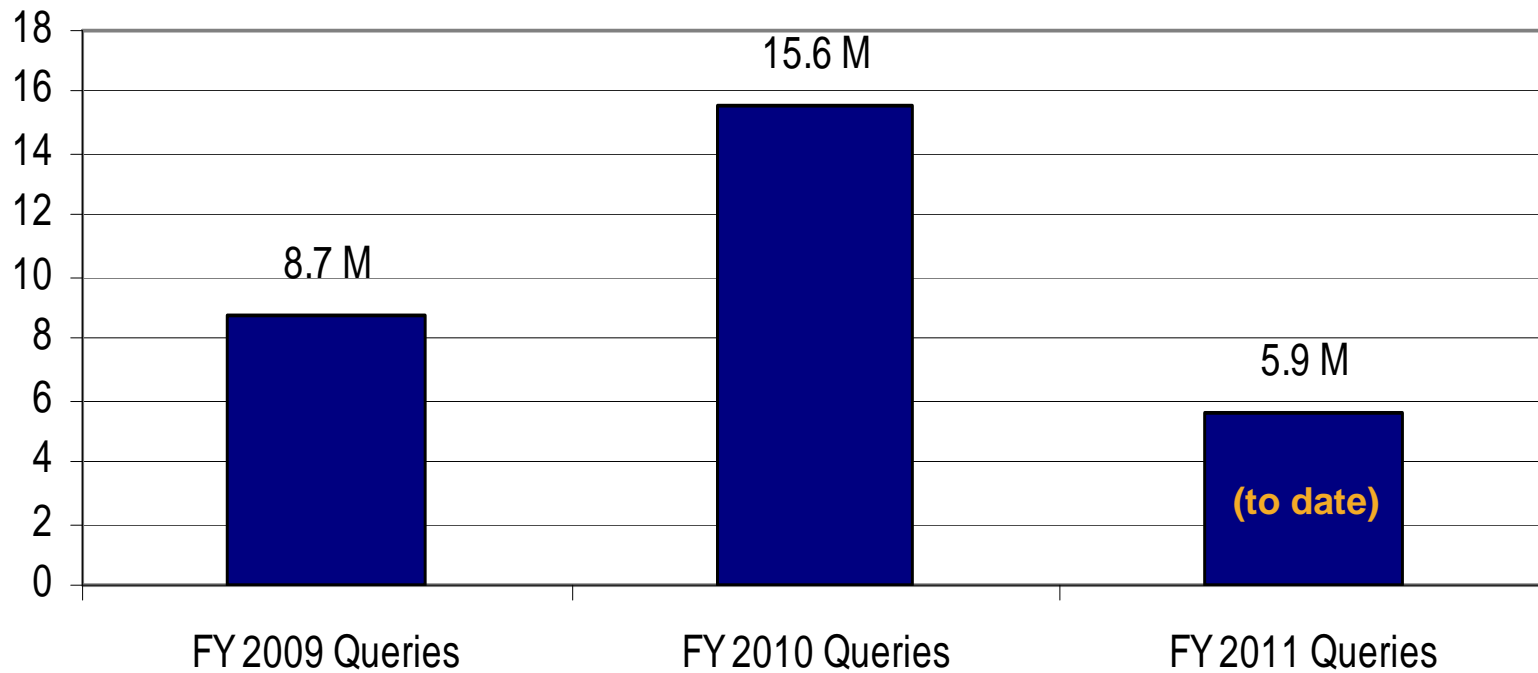

Employer Responsibilities

- E-Verify is to be **used to verify NEW hires ONLY**, and must be initiated within 3 days of the employee's start date.
- E-Verify procedures **must be applied to ALL new hires**, regardless of citizenship status.
- Employer must display the E-Verify Poster in an area visible to prospective employees to show that it is an E-Verify participant.
- Employer must display an Anti-Discrimination Poster issued by the Office of Special Counsel for Immigration.

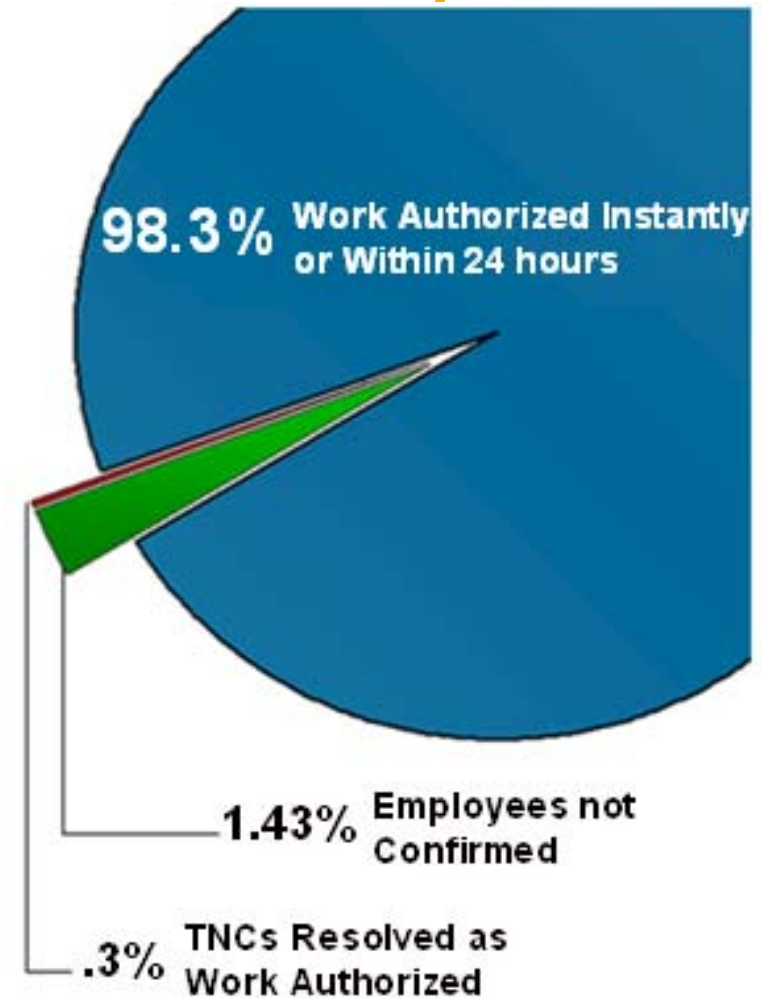

E-Verify in the Workforce

More than **249,000** employers are enrolled in E-Verify, representing more than **857,000** hiring sites as of February 19, 2011. This means that **11 percent** of the hiring sites in the United States are currently using E-Verify.

E-Verify Program Verification and Accuracy Rates

- **98.3%** of employees are automatically confirmed as work authorized either instantly or within 24 hours, requiring no employee/employer action
- **1.73%** of employees receive initial system mismatches (tentative non-confirmations - “TNCs”)
 - **0.3 %** of employees who receive initial mismatches are later confirmed work authorized after contesting and resolving the mismatch
 - **1.43 %** of employees receive final non-confirmations (FNCs)

Federal Acquisition Regulation (FAR) E-Verify Clause

- As of **September 8, 2009**, the FAR requires certain federal contractors (and subcontractors) with federal contracts containing the FAR E-Verify clause to verify:

**All existing employees
performing direct,
substantial work on the
contract**

**All new
employees**

OR

**Their entire
workforce**

- Contractors are required to inform E-Verify which of these options they choose so that our Monitoring and Compliance function will not identify them as having misused the system.

E-Verify Self Check Program

How Does E-Verify Relate to Self Check

- Self Check is the first online service offered directly to the U.S. workforce by the E-Verify Program.

- The Self Check service enables U.S. workers to use the same information that employers enter into E-Verify and check it against the same records that E-Verify checks. It was developed to allow U.S. workers to confirm their own eligibility to work in the United States and deal with any potential data mismatches before being hired and checked by an E-Verify participating employer.

E-Verify Self Check Overview and Background

- The first phase is planned to launch in March to a limited area consisting of 5 States and the District of Columbia:
 - Arizona
 - Colorado
 - District of Columbia
 - Idaho
 - Mississippi
 - Virginia
- The program was requested specifically by Congress in late 2009.

Benefits for the U.S Public and Federal Government

- U.S. Workers will benefit by gaining:
 - Increased visibility into government records and guidance on how to correct them
 - Increased confidence in the results of an E-Verify check

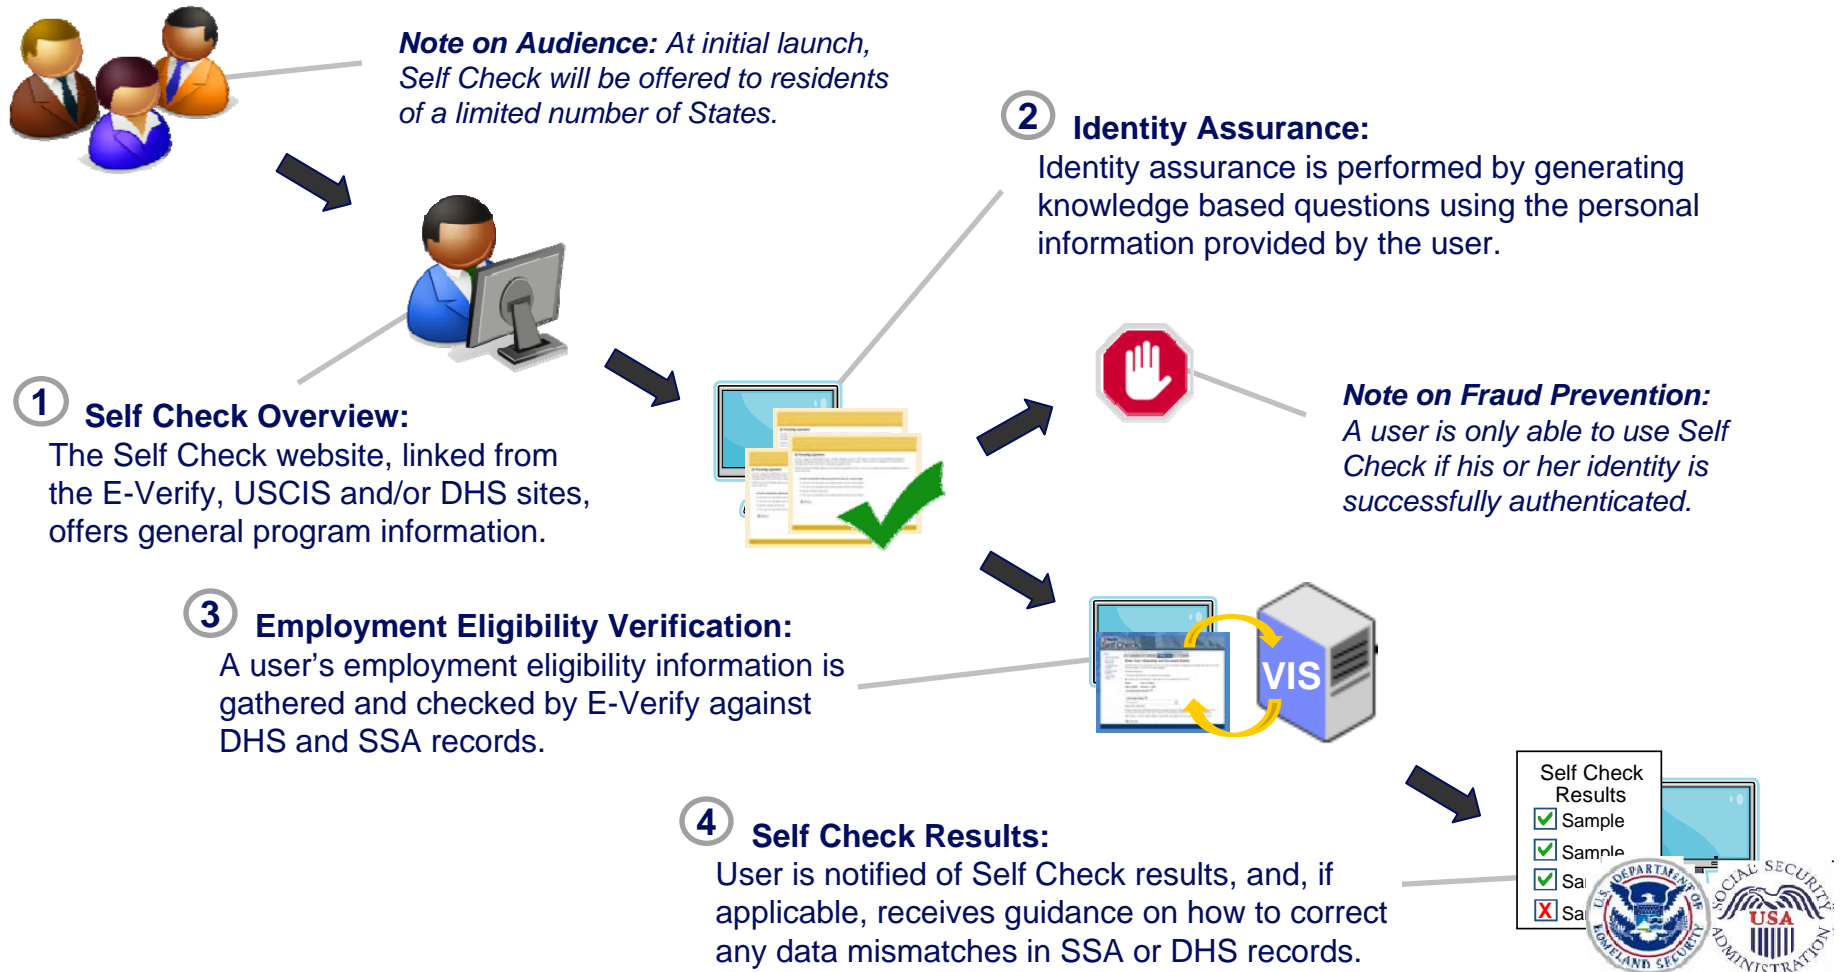

- E-Verify Employers will benefit by having:
 - Fewer TNCs leading to a more efficient E-Verify process

- USCIS and DHS will benefit by:
 - Interacting directly with customers using new technologies
 - Meeting Presidential goal of increased transparency

Comparison of the E-Verify Program and the Self Check Service

| Area | E-Verify Program | Self Check Service |
|----------------------------|--|---|
| Audience | U.S. businesses | U.S. workers |
| Purpose | Verify employment eligibility of workforce | Check your own status |
| Security | Employer registration process and user accounts | Identity assurance process on each use |
| Legislative Mandate | Required in certain states and for federal contractors | Voluntary |
| Availability | 50 states and U.S. territories | Initially five states, phased expansion |

SAVE Program

SAVE

- The SAVE Program is an intergovernmental initiative that aids benefit-granting agencies in determining an applicant's immigration status, thereby ensuring that only entitled applicants receive federal, state or local public benefits and licenses.

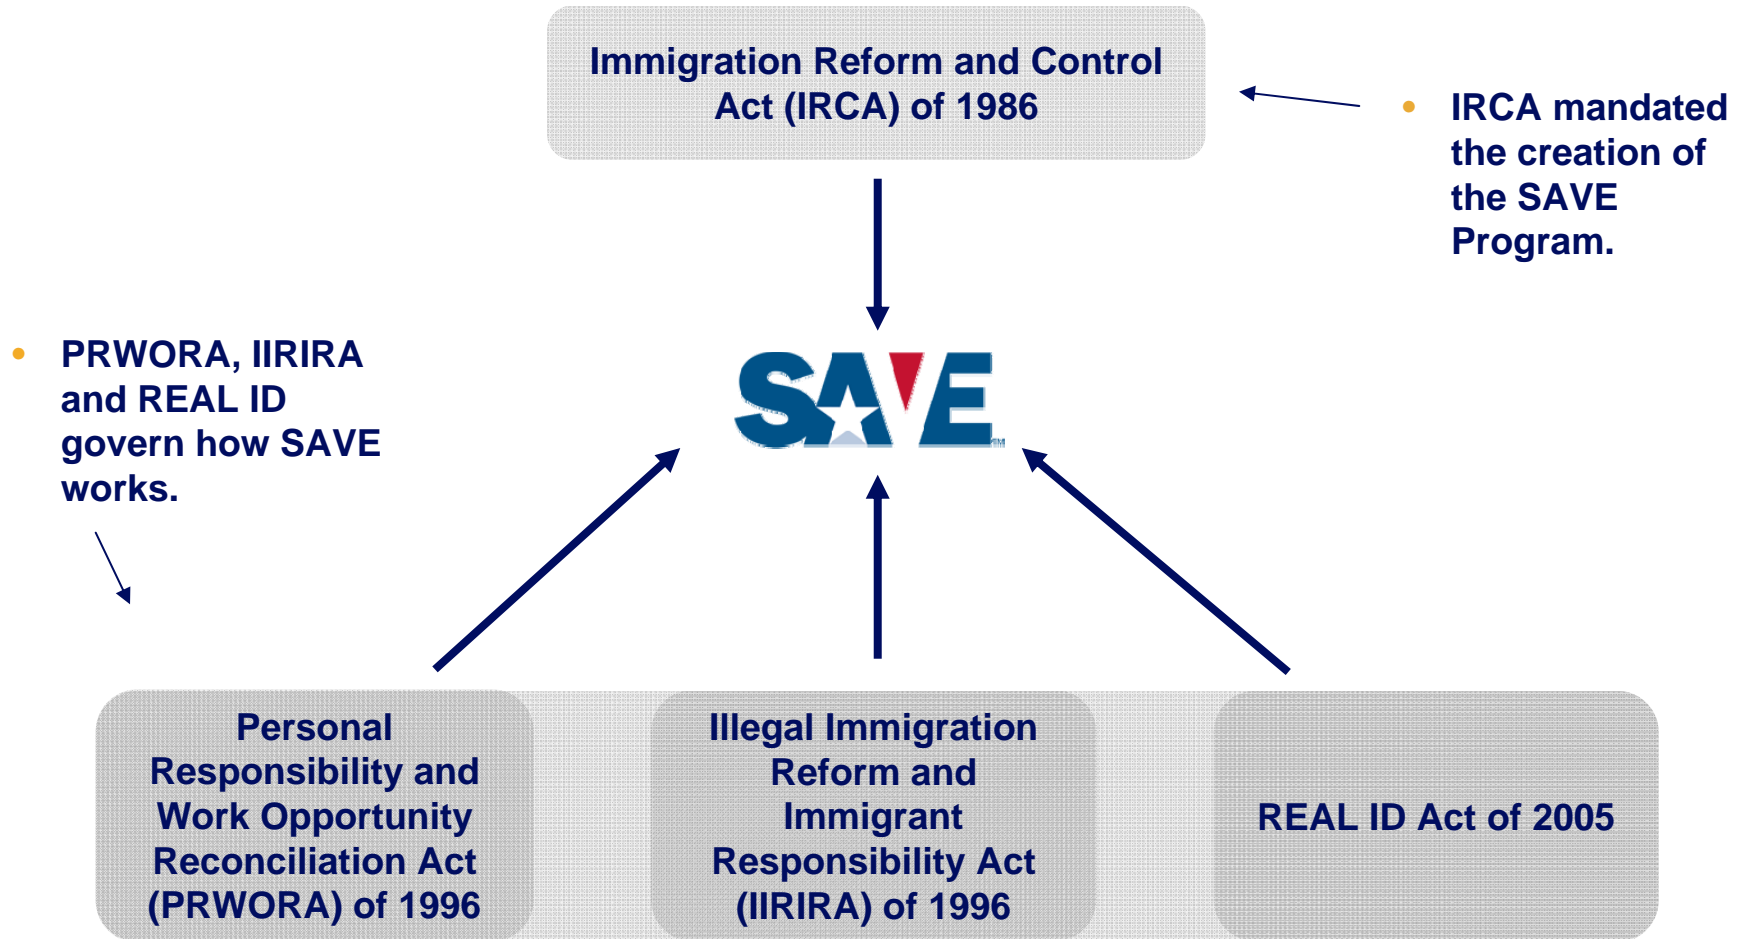

Verifies

- Nonimmigrant status
- Immigrant status
- U.S. citizenship for naturalized and derived citizen status

Does Not Verify:

- An applicant's eligibility for a specific benefit or license

Legislation Governing the use of SAVE

SAVE Program Participants

- As of February 11, 2011, there are 735 agencies participating in SAVE.

- These agencies administer benefits such as Medicaid, Food Stamps, Background Investigations, Drivers' Licenses, Enumeration and Supplemental Security Income.
- SAVE provides these agencies with the information they need to make sure only eligible individuals receive these benefits.

How does SAVE work?

- The SAVE Program uses an online system that checks a benefit applicant's immigration status against millions of Department of Homeland Security records.

- Agencies that do not have access to an automated system may submit a paper verification request by using Form G-845, Document Verification Request.

SAVE

SAVE Program Registration Process

Review Process

- SAVE reviews the agency's eligibility.
- SAVE Policy coordinates approval from USCIS Office of Chief Counsel.

Registration

To register for SAVE, an agency visits the SAVE website and follows instructions.

Registration

Upon completion of the MOA, the SAVE Program establishes the agency's user account.

The Verification Process

- Most cases that are run through the SAVE program are resolved in seconds, but it will never take more than 10-20 work days to reach a resolution.

| STEP | ACTION | SYSTEM RESPONSE | GENERAL RESPONSE TIME |
|---|--|-----------------|----------------------------|
| Initial Verification | Agency submits a query electronically based upon information provided by the applicant. System response provides an applicant's immigration status or prompts agency to " Institute Additional Verification. " | Electronic | 3-5 Seconds |
| Additional Verification | Agency provides additional information on the applicant and submits electronically. System response provides an applicant's immigration status or prompts agency to " Resubmit with Docs. " | Electronic | 3-5 Federal Working Days |
| 3rd Step Verification | Agency submits an electronic request which generates a prepopulated Form G-845, Document Verification Request. Agency prints Form G-845 and mails it with photocopies of the applicant's immigration documents to the appropriate Status Verification Office. | Electronic | 10-20 Federal Working Days |
