RE: MB Docket No. 07-57 Implementation of Sirius-XM Merger
Condition That Four Percent Commercial and Four Percent
Non-Commercial of Audio Channels be Leased to Qualified Entities

Dear Ms. Dortch:

On May 26, 2010 I spoke with Ms. Marcia Glaberman via telephone regarding the Implementation of Sirius-XM Merger Condition That Four Percent Commercial and Four Percent Non-Commercial of Audio Channels be Leased to Qualified Entities.

During our phone conversation Ms. Glaberman stated the FCC had been working through several issues regarding whom, what and or how the Qualified Entity or Entities would be granted the proposed channels. She also hinted that the FCC had been working through several of the issues including Adarand and an application process that is being devised to be implemented.

In accordance with Section 1.1206(b)(2), this notice is being filed with the Commission electronically
