RE: Proposal for SIRIUS-XM Radio Inc. to carry KQBO-FM 107.5 Hispanic minority as qualified entity offering minority programming in SIRIUS-XM's Network in the North American market.

Media Ventures unlimited, LLC. is a Minority Hispanic owned and operated radio station broadcasting Spanish music from Rio Grande TX.

Media Ventures unlimited is proposing that Sirius-XM carry KQBO-FM 107.5 Hispanic minority as a live, 24/7, continuous broadcast of programming on the Sirius-XM space segment.

If our proposal has merit with SIRIUS-XM radio; KQBO-FM 107.5 would consider entering into a contract with SIRIUS-XM Radio encompassing the above proposal so broadcasting may start as soon as possible.

Sincerely,

Gus Valadez
