

Refuge Managers' Address List

Refuges are listed by state under their Complex Office or Headquarters Refuge, which is noted in bold. Stand-alone stations are also bold. If a Refuge shows an address different from the state it is listed under, it is because the refuge crosses state boundaries or it uses the address of its Complex Office in another state. In these cases, the refuge will be listed under each state where it occurs. For the most part, physical addresses are used in this listing.

Abbreviations: **NWR** - National Wildlife Refuge **WMD** - Wetland Management District
WPA - Waterfowl Production Area **WMA** - Wildlife Management Area
