

Technology Solutions for Your Mission Requirements: Alliant

Supporting Your Mission with Governmentwide Acquisition Contracts

Introduction to the Alliant GWAC

GSA's Alliant is a multiple award, indefinite-delivery, indefinite-quantity (IDIQ) Governmentwide Acquisition Contract (GWAC) offering comprehensive and flexible, IT solutions worldwide. All awardees have top secret facility clearances and can provide best value Information Technology (IT) solutions to federal agencies globally, while strengthening opportunities in federal contracting for small businesses.

The scope of Alliant encompasses all components of an integrated IT solution, including new technologies that may emerge during the life cycle of the contract. This GWAC provides IT solutions through performance of a broad range of services which may include the integration of various technologies critical to the services being acquired.

See the back of this publication for the Features and Benefits of using the Alliant GWAC.

Ordering

Prior to issuing orders under Alliant, federal contracting officers (COs) must receive training on the use of the Alliant contract and be granted a written delegation of procurement authority from the GWAC program office. Training is offered at no cost via:

- Onsite training conferences and events;
- Conference calls;
- Web or video conference;
- A self-paced, online course at the GSA Center for Acquisition Excellence (available at www.gsa.gov/cae).
