

Service Provider Identification Number and General Contact Information Form

Estimated Average Burden Hours Per Response: 1.5 hours

FCC Form 498 is used to collect contact and remittance information for service providers that receive support from the Federal universal service support mechanisms. For greater flexibility, this form allows service providers to use the same general contact information for all their contacts and the same remittance data collected for each of the four support mechanisms or multiple contact and remittance information. Please report any changes to this information on a revised FCC Form 498 to prevent any delays in notification and the timeliness of disbursements. Persons willfully making false statements on this form can be punished by fine or forfeiture, under the Communications Act, 47 U.S.C. Secs. 502, 503(b), or fine or imprisonment under Title 18 of the United States Code, 18 U.S.C. Sec. 1001.

One of the functions of USAC is to provide a mechanism for the billing, collection, and disbursement of funds for the various Federal universal service support mechanisms. In an effort to implement these requirements and obligations, the Commission has adopted this collection of information. Pursuant to the Commission rules, 47 C.F.R. §§ 54.301, 54.303, 54.307, 54.309, 54.311, 54.407, 54.413, 54.515, 54.611, 54.702, 54.802, and 54.902, USAC must obtain information relating to service provider name and address, telephone number, Federal employee identification number, contact names and telephone numbers, and billing and collection information. Each service provider receiving Federal universal service support from the High Cost, Low Income, Rural Health Care, or Schools and Libraries Support Mechanisms, should complete the FCC Form 498. USAC will use this information in administering the billing, collections, and disbursement operations of the Federal universal service programs.

This collection has been assigned an OMB control number of 3060-0824.

The Commission is authorized under the Communications Act of 1934, as amended, to collect the information we request in this form. We will use the information you provide for the Federal universal service billing, collections, and disbursement purposes. If we believe there may be a violation or a potential violation of a state or Federal statute, or of a Commission regulation, rule, or order, your form may be referred to the Federal, state, or local agency responsible for investigating, prosecuting, enforcing, or implementing the statute, rule, regulation, or order. If you owe a past due debt to the Federal government, the information you provide may also be disclosed to the Department of the Treasury Financial Management Service, other Federal agencies, and/or your employer to offset your salary, IRS tax refund, or other payments to collect that debt. The Commission may also provide the information to these agencies through the matching of computer records where authorized.

If you do not provide the information we request on the form, the Commission may delay processing of your application, or may return your application without action.

Our estimate includes the time to read the instructions, look through existing records, gather and maintain the required data, and actually complete and review the form for response. If you have any comments on this estimate, or how we can improve the collections and reduce the burden it causes you, please write to the Federal Communications Commission, AMD-PERM, Washington D.C. 20554, Paperwork Reduction Project (3060-0824). We will also accept your comments via Internet if you send them to PRA@fcc.gov. Please DO NOT SEND COMPLETED DATA COLLECTION FORMS TO THIS ADDRESS.
