## Senior Enlisted Continuation Board Notifications Underway

The board results have been approved by the chief of naval personnel, and Navy Personnel Command is notifying commanding officers of Sailors who have not been selected for continuation.

Once notifications are complete, all results will be posted on BUPERS Online at <https://www.bol.navy.mil> where individuals may check their results personally, similar to advancement results.

The Senior Enlisted Continuation Board is a performance-driven review of master chiefs, senior chiefs and chiefs with more than 19 years of service and three years' time-in-grade. It serves as a force stabilization measure, like Perform to Serve, allowing the Navy to retain the best Sailors.

The Senior Enlisted Continuation Board convened Sept. 20 at NPC. The board reviewed 9,096 active duty, full-time support, and Reserve records including 5,740 chiefs, 2,343 senior chiefs, and 1,013 master chiefs.
