

# NSFG

*Save the Date! October 17 and 18*

## 2012 Research Conference on the National Survey of Family Growth (NSFG)

**Wednesday and Thursday  
October 17 and 18, 2012  
Hyattsville, MD**

The conference will present original analysis of the 2006–2010 NSFG data that contain 22,682 interviews of men and women aged 15–44 years.

### Select topics from NSFG:

- Male and female fertility, contraceptive use, and infertility
- Marriage and cohabitation, and attitudes toward family life
- Reproductive health, including use of health care
- HIV/STD risk-related behavior, sexual behavior and sexual identity/orientation
- Parenting activities by men (fatherhood roles)
- Socioeconomic, religious, and contextual variations in these behaviors
