Mr. Scott Bloch
U.S. Office of Special Counsel
1730 M Street, N.W., Suite 300
Washington, D.C. 20036-4505

Dear Mr. Bloch,

The Committee on Government Reform and has recently reviewed your efforts to respond to the findings of Government Accountability Office (GAO) 04-36. In that report, the GAO noted that the Office of Special Counsel (OSC) demonstrated a chronic inability to process cases in a timely manner which inevitably led to case backlogs. The report called for the OSC to develop a comprehensive strategy to address these recurrent failures.

We appreciate the professional seriousness with which you approached these recommendations and reduced the existing backlogs in the year following this report. Unfortunately, this activity, while beneficial to whistleblowers, was regarded with suspicion by activists who claim to work on behalf of whistleblowers.

At your invitation, a bipartisan group of congressional staff visited your offices on three occasions to review closed cases. The staff reviewed any closed case they requested, and you provided access to decision makers for questions and policy discussions. At the end of this period of review, one previously critical Senate staffer informed us "we have satisfied ourselves that they did not throw any folders into the Potomac." We are also satisfied that your hard work – and smart work – has resulted in a more responsive Office of Special Counsel.

We want to congratulate you on your efforts to improve the services you provide to whistleblowers. We continue to be impressed with the sincerity and pragmatism with which you and all your staff approach your jobs. You are providing a great service to the American people and the Federal government by protecting whistleblowers from illegal reprisals.

Sincerely,

Chairman Tom Davis
Committee on Government Reform

Chairman Jon Porter
Subcommittee on the Federal
Workforce
