PROPOSED RULE DEFINING RECORDS NOT OBTAINED BY THE COMMISSION

The Commission is publishing for comment a proposed rule defining the circumstances under which a document received by the Commission will not be considered to have been "obtained" by the Commission within the meaning of Section 24(a) of the Securities Exchange Act of 1934, 15 U.S.C. 78x(a), thereby not becoming an "agency record" for purposes of the Freedom of Information Act. Comments should be submitted on or before June 1, 1981 in triplicate to George A. Fitzsimmons, Secretary, Securities and Exchange Commission, Washington, D.C. 20549. Such communications should refer to File No. S7-877, and will be available for public inspection at the Commission's Public Reference Room, 1100 L Street, N.W., Washington, D.C. (Rel. 33-6295)

PROPOSAL TO RULE GOVERNING DISSEMINATION OF QUOTATIONS FOR REPORTED SECURITIES

The Commission is proposing for comment amendments to its rule governing the collection and dissemination of quotation information. The proposed amendments to the rule would, under certain specified circumstances, permit market centers to disseminate quotations on a voluntary, rather than mandatory, basis. Comments should be submitted within 60 days from the publication of this release in the Federal Register. Comments should refer to File S7-648 and should be submitted in triplicate to George A. Fitzsimmons, Secretary, Securities and Exchange Commission, 500 North Capitol St., Washington, D.C. 20549. All comments will be available for public inspection and copying at the Commission's Public Reference Room, Room 6101, 1100 L St., N.W., Washington, D.C. (Rel. 34-17583)

ADMINISTRATIVE PROCEEDINGS

RULE 2(e) PROCEEDINGS AGAINST CARTER AND JOHNSON DISMISSED

The Commission today released an Order and related Opinion dismissing Rule 2(e) proceedings against William R. Carter and Charles J. Johnson, Jr., partners in a New York City law firm. The Commission found that, upon review, the record did not support the Administrative Law Judge's findings that respondents had wilfully violated and aided and abetted violations of the federal securities laws by their client, National Telephone Company, Inc., during 1974-75. The Commission also stated that applicable ethical and professional standards were not, at that time, sufficiently well-developed to justify affirming the Law Judge's finding that respondents had acted unethically or unprofessionally in representing National Telephone during the relevant period. In this regard, the Commission articulated an interpretation of Rule 2(e) with respect to the professional responsibilities of securities lawyers who give disclosure advice and indicated that this interpretation would be applied in similar Rule 2(e) proceedings arising out of conduct occurring after the date of the Opinion.

Chairman Williams and Commissioners Loomis and Friedman joined in the opinion. Commissioner Evans concurred in part and dissented in part in an opinion to be issued separately. Commissioner Thomas did not participate. (Rel. 34-17597)

CRIMINAL PROCEEDINGS

BERNSTEINS PLEAD GUILTY

The Denver Regional Office announced that on February 17 the Honorable Jim R. Carrigan, Judge, U.S. District Court, District of Colorado, sentenced Jerome A. Bernstein and Lawrence Bernstein, both of Denver, Colorado, to six months imprisonment and five years probation. Each defendant was also sentenced to make restitution of \$5,150 during the period of probation. Previously, on January 26, each defendant had entered a plea of guilty to one count of an indictment charging them with a violation of the fraud by wire statute. The Bernsteins were former principals of Link-Up + 1 Securities, Inc., a registered broker-dealer. (U.S.A. v. Jerome Bernstein and Lawrence Bernstein, U.S.D.C. Colorado, Crim. Action No. 80-CR-302-2.) (LR-9304)

CIVIL PROCEEDINGS

COMPLAINT FILED AGAINST DENNIS L. MIRUS; SIPC FILES APPLICATION FOR CUSTOMER PROTECTION

The Chicago Regional Office announced that on February 11, a complaint was filed in the U.S. District Court in Chicago against Dennis L. Mirus of Lake Forest, Illinois, a registered broker-dealer, which alleged that Mirus violated the antifraud, broker-dealer registration, confirmation and record-keeping provisions of the federal securities laws in connection with the offer, purchase and sale of securities during the period from in or about January 1973 to date. The complaint alleged that Mirus converted monies to his own personal use which had been entrusted to him by his customers for investment on their behalf. The complaint further alleged that Mirus tendered his personal checks to certain customers as disbursement of purported trading profits, when there were insufficient funds in Mirus's bank accounts to cover these checks.

In connection with the above described complaint, upon the simultaneous application of the Securities Investor Protection Corporation, the Honorable Bernard M. Decker, Judge of the U.S. District Court for the Northern District of Illinois, entered an order to show cause as to why the Court should not enter an order adjudicating that the customers of Dennis L. Mirus are in need of the protection afforded by the Securities Investor Protection Act of 1970. A hearing on that matter was held February 23.

In a related administrative matter, Mirus consented to be barred from association with any broker, dealer or investment adviser. (SEC v. Dennis L. Mirus and SIPC v. Dennis L. Mirus, U.S.D.C., N.D. Ill., Eastern Div., Civ. Action No. 81-C-700.) (LR-9301)

DAVID D. CONN, DACON OIL CORPORATION AND GEORGE E. BAY ENJOINED

The Denver Regional Office announced that U.S. District Judge Richard P. Matsch issued Default Judgments of Permanent Injunction against David D. Conn, a resident of Texas, and Dacon Oil Corporation, a Colorado corporation, on February 5, 1981 and December 22, 1980, respectively. A Final Judgement of Permanent Injunction and Consent thereto was entered against George E. Bay, a resident of Florida, on January 21, 1981. These persons were charged in the complaint, filed on July 29, 1980, with alleged violations of the registration and antifraud provisions of the federal securities laws in connection with the offer and sale of fractional undivided interests in oil and gas wells located in Colorado by Conn, Dacon and Bay, and limited partnership interests in an oil and gas well located in Wyoming by Conn. The Final Judgments of Permanent Injunction enjoin each defendant from violations of Sections 5(a), 5(c) and 17(a) of the Securities Act of 1933, and Section 10(b) of the Securities Exchange Act of 1934 and Rule 10b-5 thereunder.

The entry of the Final Judgment of Permanent Injunction against George E. Bay was consented to without admitting or denying the allegations of the complaint. The allegations against the remaining defendants, D.G. Hamilton and Arthur W. Guenther, Jr., remain for trial. (SEC v. D.G. Hamilton, et al., U.S.D.C., Dist. of Colo., Civ. Action File No. 80-M-998.) (LR-9303)

NOTICE

Many requests for copies of documents referred to in the "SEC News Digest" have erroneously been directed to the Government Printing Office. Copies of such documents, registration statements, and other filings may be ordered by writing to the Public Reference Branch, Securities and Exchange Commission, Washington, D.C. 20549. When you are ordering more than one, we prefer that the documents be listed in alphabetical order by registrant name to expedite service. Cost estimates are given on request. Two types of service are available through the Public Reference Branch, one of which (priority service) is also available directly from the SEC's service contractor.

REGULAR SERVICE — The regular service reproduction cost is 10c per page, including applicable sales taxes, plus postage (\$5.00 minimum order). Regular service orders will be shipped within seven calendar days of the receipt by the SEC's service contractor of your request, forwarded from the Public Reference Branch. Slight delays may occur if the materials to be copied are not already in the contractor's master files.

PRIORITY SERVICE — Copies of documents may be ordered by telephone directly from the SEC's service contractor by calling 301/951-1350. The priority reproduction cost is 35¢ per page plus postage and applicable sales taxes (\$10.00 minimum order). Priority service orders will be shipped by 4:00 PM of the working day following the day of your telephoned request for materials already in the contractor's master files. Cost estimates are given on request.

All other reference material is available in the SEC Docket.
